I'm always curious where is the beauty?

Obsessed of everything I've known

"I'm admiring beauty In other's But,

All have forget to see Beauty in self.

We all have searched the secret of moon shine,

When we will see calmness of over night,

We all have the beauty in self.

- Tejveer. K.L

## ***Acknowledge to universe***

Look up into dark night How stars are de doing fight  
Seek the journey will make you hold tight

The wrath and fury of nature As answer of  
arrogance

Freed from the cacophony Solemnly the silence  
speaks.

We leaves in universe, And universe is in us;  
The throne on which now For endings hint of starts  
anew.

- Tejveer. K.L

## ***Pleasing Earth***

Save the sea from pollution.

Save the earth It will sink.

Seems glorifying leafs and grails,

For these last battle of Souls.

So must keep our planet free from messy trash and  
debris,

Nature is getting dull and pale Land pale To the  
mother earth, we all freak.

- Tejveer. K.L

## ***Life's Pathway***

Climbing is necessary until reach the top with  
anxious mind and trembling heart.

Passion in heart incited by soul Past and future count  
not a bit.

The wind comes and blows. Life loses hope quickly

First we scared then aware We look comfort zone  
there.

Life having full of deed There's no thing clear as  
pathway.

Sometimes right path is not easy And easy path is not  
our pathway.

The moment you doubt whether You can fly, ya!  
Forever we can fly.

- Tejveer. K.L

## ***Wings to fly***

Opened cage with depressed Mind  
It takes swig We have those wings;  
Yes we can...

Let's fly our wings over a high  
Signaling to fly with real estate.

As an everyday grow's slow lightly your dreams  
you will gentle an Graceful and strong they warm fly  
in sky.

Don't cry in searching of life Struggle needed to fly  
with wings.

- Tejveer. K.L

## ***Glamorous day***

It's time to sparkle and shine

Glamour only radiates if there is courage

It never takes the day off.

No needed expensive perfume for glamour

It needed the bravery and thoughts.

Be patient empires aren't built in day.

Knowledge of love is like sun upon river ,

As in some ether too thin to be weighed.

About dark & light patches called glamorous Day,

The poet in awe, along the way.

- Tejveer. K.L

## ***Last Breath***

Floating water in rivers never stops,  
When it's time to die it never cease  
No any complain but a appeal  
Let me the liberty as ever I loved.

The air grows narrow, soft, slow.  
A Sigh that's whispered for breath  
The spirits Soars, beyond the view.  
You've long been gone and still breathing  
Every breath is a choice to reborn & die  
Breath is bridge which connects to consciousness  
Fight for right up to last breath  
Inhale love and exhale Kindness.

- Tejveer. K.L

## ***Being quite***

How beautiful its is to stay silent.  
When someone expects you to be enraged.  
Being quite is more power, than proving point.  
Wandering her own world by being quiet .  
As it does when in the loud sun a coin.  
Rises and nicks the near air. Now,  
Being quite is hope where thoughts become dreams,  
It is ultimate disguise method,  
Creations are silent, to grow the roots.  
Symphonies felt, though never heard,  
I catch the pattern of your silence,  
There is a silence where hath been no sound.

- Tejveer. K.L

## ***Waking up***

Wake up in the morning with smile,  
Very far beyond the starry sea.  
Keeping up the dream of cold wealth,  
We all need to forgive and forgot.

To keep us from ever-darkness,  
To ease us from warm touching.  
How morning appears like white rose,  
Bes preacher that ever was.

The wanderer fares right jauntily,  
My soul is swift upon the wing.  
Darkness fast fade away,  
As a bird catching it's prey.

- Tejveer. K.L

Just keep moving forward for futurity.

In spite of everything.  
Still believe that are I Still good at heart  
Life is never fair and perhaps

Hope is faith holding out it hand in dark,  
we must accept finite disappointment,  
Never give-up on Something without think.  
Hope and faith are there is miracles.

I hope for the day when clouds will form To atrocities,  
in justice and negative propulsion.  
Guard, false watch keeping,  
Like a false guard Still appeal's for whispered peace.

- Tejveer. K.L

## ***Road Taken***

The road to success is always under construction,  
That Success road always uphill's.

Fumble in the dark and find your own path.  
Persistence is the vehicle to arrive in.

Two roads separated d in wood, and I,  
I took that one limiting journey by.

Metaphor for the choice we makes in life,  
Straight Highways are not for goals.

- Tejveer. K.L

## ***Never Ending***

When crippled twice in the breath.

It goes on and forever ascending,

Never is the wind ever still.

In some places the road is rough.

It drags along in slowed down seconds.

It amuses and it bruises.

The sky above, which lie's far away.

Reaching an euphoric bliss,

This constant cycle break and heals,

But It fix the journey with never.

Because ocean can destroy a river.

It's time to move on, To find new thing ,

To leave behind what wasn't right.
