1. STARTING THE WAR OF POLITICS .

Politics, that game of power in which many people have sacrificed everything. That person changed the entire system and took those systems into his own hands. This is the story of that gamechanger.

Haryana where the Mahabharata war was fought. Rewadi, A district of Haryana where the war of Mahabharata is being fought every day. That war of Mahabharata was also for power and today's war is also being fought for gaining power in politics. Both the sweet of Rewadi and politics of Rewadi are famous throughout Haryana.

Before we move ahead in the story, I want to tell you about our first character, Rajveer Singh Sandhu - A remarkable personality within our narrative. Brace yourself, as Rajveer Singh Sandhu commands respect and strikes fear into the hearts of others with his choleric nature. He exudes confidence and assertiveness,

speaking with a strong voice that demands attention. His mustache serves as a symbol of his pride and he carries himself with the physique of a powerful wrestler. his forehead always with an anoint , he embodies the true essence of a Haryanvi Jaat, radiating an attitude that is unmistakable. The whole of Rewadi buzzes with talk of Rajveer Singh Sandhu and his remarkable reputation. In the Jat-dominant areas of Haryana, he stands out as an eminent figure, representing the Rule and strength of his community.

If there is anyone who is not familiar with Rajveer Singh, it can only mean they are completely out of touch with Haryana or even the entirety of India. Frankly, it's hard to find someone who doesn't know Rajveer Singh - Everyone knows his name more than his face.

Rajveer's journey into politics, a life-long ambition, was no walk in the park. Through his sheer determination, reputation, and financial success, he has carved out a prominent position within his party. The party recognized his unwavering commitment and rewarded him with the MLA ticket. As the old saying goes , the higher one rises, the more adversaries they accumulate. With every step Rajveer takes forward, he gathers more foes. Some he is already aware of, while others lie dormant, ready to strike without his knowledge.

In the realm of kings, a minister reigns supreme, just as Chanakya was the pillar of support for King ChandraGupta . Likewise, to uphold dominion and perpetuate rule, every king requires the aid and backing of a minister. For Rajveer Singh Sandhu, that person is none other than Kishu ji aka Kishan Singh.

Kishan Singh embodies significance and holds a pivotal role. Kishu ji has been working for Ranveer since his youth. He is the very essence of trustworthiness for Rajveer Singh, as he possesses a wealth of knowledge about Rajveer 's both his allies and adversaries.

Few individuals can claim to have a deeper understanding of Rajveer than Kishu ji.

Moreover, Kishan Singh's unwavering loyalty towards Rajveer Singh has been substantiated time and time again, So in this no room for doubt. Well I hope you understand these two important Characters well. Haryana Assembly Elections have been announced on 5th May 2020. Candidates from many political parties are in the race. But there are only two major parties at the forefront in this race. The first party is the Haryana Janshakti Party (HJP) and the second party is the Haryana Aam Janta Party (HAJP).

Haryana Janashakti Party Office (HJP).

30th April is an important date for Rajveer Singh because the candidate is going to be announced by the HJP Party. Party chief Shri Sunil Chaudhary enters the party office. There is a lot of hustle and bustle in the party office. Everyone wants to know who will be their candidate. " Now you all must be wondering who will be our candidate, so ending your wait, I and the party members have decided that our candidate will be Shri Rajveer Singh Sandhu. " Sunil Sahab said.

The whole office erupted in applause. After shaking hands with Sunil Sahab, First of all, Rajveer thanked Sunil sahab with respect. Rajveer thanked the party and the workers for their faith in him.

Now, Sunil Sahab requests Rajveer ji to say a few words.

"Ram-Ram ji" to all of you. Rajveer said . Because of the blessings of Lord Rama and the trust of all of you, I am here today. I would just like to say that I will not let the name of this party and the trust of all of you be lost. I am not given any hackneyed dialogue. Our party will win this election because Rajveer Singh Sandhu is always born to win. That's it, thank you. Everybody is clapping at Rajveer's every single word.

This is The Dhaak of Rajveer Singh Sandhu.

Amongst the many best wishes. "Congratulations Rajveer Sahab." Jagdev said. "You finally got your tickets. And look, we have been in this party for so many years but no one even asks about us."

"Everyone has their own destiny, Jagdev. The ticket was in my destiny, so I got it." Rajveer said.

After congratulating in jealous words, Jagdev left from there.

"Come on sir ji, everyone is waiting to congratulate you at home." Kishu ji said to Rajveer. Visham Singh enters the party office. Visham happily hugged Rajveer and started congratulating him.

Let us know a little about Visham Singh. Visham Singh , He is the younger brother of Rajveer. He respects his elder brother a lot and obeys everything he says. Visham lives with Rajveer. Visham Singh and his wife, Sunita Singh, have two children, a son (Virat) and a daughter (Vanshika) who study in Canada. Visham Singh is such a red herring character that the story will take a different turn , Leave it to time whether he is good or bad. We will get to know to what extent Visham will support his brother ?

Rajveer, Kishu ji, and Visham Singh left for home.

Now it's time to introduce the first antagonist character of this story, Jagdev Dahiya .

The moment Sunil Saheb uttered the name Rajveer Singh, the damn party office exploded in applause. Why the hell does everyone in the party worship Rajveer? because he is a very respectful person. There's just one damn person in the party who's not thrilled about this goddamn decision, and that's Jagdev Dahiya.

Jagdev, can't stand the sight of Rajveer. He's so goddamn jealous of Rajveer's position in the party. And the party gives Rajveer way more respect than that sorry excuse of a man, Jagdev. That's why Jagdev sees Rajveer as his damn archenemy. He sucks up to Rajveer in front of everyone, but can't stop trash-talking him behind his back. And now, his damn anger has reached new heights because he didn't get the damn MLA ticket. Well, for

fuck's sake! The degree of Jagdev Dahiya's seething jealousy towards Rajveer Singh, you'll find out in the rest of this twisted story.

Peoples heartworm congratulations for Rajveer.

Kishu ji made arrangements to welcome Rajveer and distributed sweets on the way to his house. The road was decorated with flowers. Rajveer left directly for home and people showered flowers and congratulated him along the way . Finally Rajveer's dream has come true . He has got the MLA ticket for which he had worked day and night . Today is a very happy and proud moment for Rajveer .

Rajveer's House

Amrit Singh Sandhu is Rajveer's wife and considers him her everything. She is a respected woman in the village. From the servants of the house to the entire village, everyone respects her. Amrit's life is in Rajveer. The talks of their love are also very famous in Rewadi.

As soon as Rajveer enters his house, Amrit welcomes him with the worship plate.

With Happy smiles , " Congratulations Rajveer Ji!" " Amrit said.
"Congratulations, you have got the MLA ticket. "

" Thank you Amrit ji, " Rajveer said. " it is because of your prayers that I got the ticket."

"Oh ji, my prayer is that you become an MLA. "

Kishu ji, did you offer the offerings that I asked you to make to the poor peoples and orphans in the gurudwara and temple?

Amrit asked Kishu ji.

"Ji Malkin, I have offered it as you said Malkin. " Kishu Ji tells Respectively.

Well, it's a good thing that all the charity work happened exactly as Amrit had said.

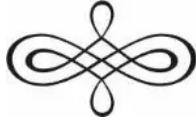

Kishu Ji and everyone went out.

Amrit and Rajveer fed sweets to each other with great love. Both are very happy after getting an MLA ticket.

Rajveer is looking here and there as if he is searching for someone.

"Amrit ji....." Rajveer asked . But Amrit interrupted Rajveer, " I know who you are looking for? "

" So where is he? "Rajveer asked. Well After all who is Rajveer looking for, after all who is being talked about here.

2. INTRODUCTION OF OUR PROTAGONIST

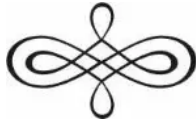

There are undisputedly remarkable days in the month of November, imbued with sheer uniqueness. And when fate bestows a child with the honor of being born on one such day, they inherently possess extraordinary qualities that set them apart from the masses. A shining example of this is Aatish, A Haryanvi boy with an indomitable spirit. His flowing locks cascading down her neck, is a magnet for adoring souls drawn to her enchanting presence. His Dark alcoholic eyes and heavy beard which makes his looks more deadly. He came into this world on the 27th of November in 1995, radiating an aura of confidence.

With a robust physique and impressive physical fitness, Aatish possesses a captivating presence. His natural inclination towards humor allows him to effortlessly amuse and entertain, leaving no

soul untouched. Uninhibited, audacious, and unapologetic, these descriptors offer a glimpse into his persona. Worries have no place in his existence, neither today nor tomorrow, as he fearlessly navigates through life. OH, let me tell you about this charming guy! The ladies can't resist him, and he's quite smitten with them too. He's got that irresistible charisma that rules the school and college and is renowned for his playful teasing of the juniors. Aatish never really took school seriously; he was all about having a good time. it's said by his friends, who needs to worry about studies when you've got a dashing fellow like Aatish? Plus, if he ever needed a degree, his dad could easily arrange it from any top-notch college. So, you see, academics were never a challenge for our playful Aatish. Aatish completed his graduation from the biggest college in Rewari at Haryana University of Management. It has been 6 months since Aatish finished his college studies but he still goes to college to have fun.

Aatish demonstrates a consistent commitment to maintaining friendships and supporting others financially, likely attributable to his affluent background. He is always at the forefront when it comes to nurturing relationships. Aatish is truly blessed with a tight-knit circle of four close friends who are always by his side. The bond between them is truly special as Aatish goes above and beyond for his friends, and they are more than willing to do anything for him in return. Allow me to introduce his wonderful friends: Baggi (also known as Balwinder Singh), Bhanu Singh, Monty Randhawa, and Yogi (also known as Yoginder Ahlawat). Together, they create an incredible support system for Aatish, making his life even more meaningful and fulfilling.

Subsequently, many people tend to follow his lead and abide by his instructions. Moreover, Aatish enjoys spending his time engaging in leisurely activities such as wandering, attending club parties, participating in races, to flirt , consuming alcoholic beverages, and occasionally napping during the day. Overall, Aatish's distinct qualities, both positive and negative, contribute to his unique character.

3. RAJVEER'S VICTORY IN ELECTION.

Well! I have already told you all about Aatish 's introduction who is the Dangerous protagonist of this story.

The Protagonist is Aatish Singh Sandhu, the only child of Rajveer and Amrit. Being the only child, Rajveer never let Aatish go away from him and never sent him to another place for studies like Visham sent his children. Now you must have understood what kind of a person Aatish is ? One more thing! Apart from political power, if there is someone dearer to Rajveer than his life, it is his only son Aatish. Rajveer has given Aatish the freedom to do whatever he wants. Aatish loves his Father and Mother very much, but it is a different matter that he does not listen to him.

Let's move on to the next !

Rajveer goes to Aatish's room and wakes him up. Aatish is shocked to see his father. When did you come Papa? Aatish

asked. Rajveer told him that your mother told me that you were preparing for me the whole night, is that true?

Aatish tells lies that he prepared for Rajveer's birthday and admits to drinking a little because it was his father's birthday. Rajveer corrects him and states that his birthday is on April 21st. Aatish had drunk so much that he did not know why he had to prepare for what? He lied to his father. Which is not a big deal for him. So about whose birthday it was today ? Aatish asked .Rajveer complained about both the mother and the son making him foolish.

Aatish realised his mistake and apologized to Rajveer . Rajveer expressed his frustration, "Nothing can be done about this boy. You come downstairs and see what was happening and the preparations being made ? " Rajveer said.

Aatish agreed to come down. He quickly took a towel and went to take a bath. Rajveer, leaving the room, expressed his frustration about the kind of child he has. He went downstairs where , "what happened ?" Amrit asked .

"And is Aatish woke up ?"

" Yes I indeed woken up your tired son who is coming after taking a bath." Rajveer replied sarcastically.

Amrit tried to explain, but was interrupted by Rajveer. There is no need to say anything, as My son doesn't know that his father got the MLA ticket . Rajveer said to Amrit. Amrit assures Rajveer that she will make him understand and tells him to eat his food. Aatish arrives

at the dining table . " which day is it and why are there big preparations being made?" asks his mother. Amrit informs Aatish that it is a happy day as his father got the MLA ticket. Aatish congratulates his father and apologizes for missing the news due to attending Baggi's birthday party. Rajveer tells Aatish to go and start preparing for the elections with his friends.

Rajveer and Aatish discuss Rajveer's involvement in politics and the upcoming MLA elections in Rewadi. Rajveer is determined to win the election and is actively campaigning through speeches, rallies, and public meetings. The atmosphere in Rewadi is heated as officers and police are vigilant to maintain order during the elections. Aatish is not given any importance to this election because he is busy with his parties and girls.

Let us understand this!

As you all know, Rajveer gave his son freedom for everything and Aatish took full advantage of that freedom. He is not afraid of anyone. Even the police did not do Aatish because of Rajveer. Aatish is a self-willed person, even when it comes to girls. The one who did not support his father, how would he support anyone else? Aatish has dated many girls since his school days and this habit is still there. Everyone was drawn to Aatish because of his looks and money. Aatish took advantage of this. Aatish changes girls like clothes. Many girls are in love with him, but for Aatish, all the girls are nothing more than a time pass. Maybe because of this selfish nature of Aatish, life is going

to teach Aatish how to appreciate others. The same life that gave everything to Aatish, is now going to take everything from him.

I am telling you one thing about Aatish. I am not praising him, but just telling you. Don't make the mistake of thinking he is great. Aatish did not have physical relations with any of the girls he dated and was in a relationship with Kriti for many years. But yes, he did have physical touches and lots of kisses because Aatish is not that decent. Sometimes when friends asked him. He told them that all this would only happen with his wife, otherwise, he would keep giving his name to many children. But his friends knew that Aatish would never go to this extent because of the fear of his father. Actually, Rajveer did not want any harm to come to his reputation and MLA seat. Aatish knew this very well, so he did not go too far with any girl so that no enemy could take advantage of this and defame Aatish or Rajveer. Now it must have been known that His father may have given him freedom for everything, But not to tarnish his Honour.

Rajveer loves his honour more than his life and he never wants a situation to arise where anyone can point a finger at his honour. Aatish knew this very well.

This is called the Indian " BAAP KA DAR" . Now, whether He is short in character or great, this decision is yours my dear readers!

Let's introduce you to another Character of this Story.

Kriti Panwar, This character, is a very soft character, but Aatish did not appreciate her. Because of whatever Aatish did to her, Kriti left

Aatish forever. Kriti is very beautiful in appearance, has a playful nature, and is cheerful. Kriti was Aatish's childhood friend. Kriti has been supporting Aatish in everything since his childhood. Both of them studied together in school and college since childhood . Everyone tried to convince her many times to leave Aatish because he is a selfish person, but Kriti did not listen to anyone. Kriti and Aatish love each other very much. Aatish proposed to Kriti in the 12th class. Both have been together since then. The whole university knows about their love. After 19 years of friendship and 6 years of love, their relationship is so old that no one can even imagine that they can be separated. It's Aatish's bad luck that he didn't even appreciate Kriti's true love. Time changes, everything changes, and so do humans.

After coming to the university, Aatish started hanging out with other girls. Aatish started giving less time to Kriti. After coming to the university, the distance between them had grown considerably. Even though many people had told Kriti about this, Kriti has so much faith in Aatish that she never doubted him. She trusted Aatish more than herself. There was a time when neither Aatish's morning would start nor his night would end without talking to Kriti!

Kriti loved Aatish, but he treated her as a time pass. Aatish's friends advised him not to betray a good girl like Kriti but despite the warnings of his friends, Aatish does not pay any attention to Kriti. Kriti fears losing Aatish and one day seeks

answers by going to the university without informing him. Aatish's dirty face and Kriti leaving him . Aatish was sitting with friends in college and was surprised to see Kriti. Aatish starts agitatedly saying Kriti's name, but she interrupts him and questions his hesitation in saying her name when he used to say it without hesitation before. Aatish laughs and explains that he was shaken by Kriti's beauty and denies not picking up her phone calls. Kriti tearfully expresses her trust in Aatish. Aatish suggests talking privately and not causing a scene. Kriti angrily accuses Aatish of caring more about others than her. Aatish explains that there is a difference between then and now.

"Are you right , There is a lot of difference between then and now"
Kriti Said.

"Earlier you were only mine and now you belong to God knows how many, right? ""Kriti!" Aatish shouted. Wiping his tears, I just want to hear from you whether you have an affair with other girls or not? Kriti asked. "Yes" Aatish shouted! So?" "What will you do?" "How many girls like you have come and gone?" Kriti slapped Aatish hard and held his collar tightly, "What did you say?" Kriti asked. Baggi made Kriti let go of Aatish's collar. "Leave Aatish Kriti," Baggi said "He can't even appreciate true love." Baggi Bhaiya, you are right, I should leave such a selfish person. I gave half of my life, my happiness and everything to a person like you, I, a fool, loved you, trusted you blindly! This is right for me, this is what should happen to a person like me." Kriti said to Baggi. "I didn't ask you to give me your life, you yourself came to me to give me your life , Samjhi" Aatish said.

Kriti always prayed for Aatish but today she has only hatred for Aatish in her heart which is ready to come out in the form of a curse. Kriti curses Aatish for the suffering he caused her and predicts he will suffer too. Aatish dismisses her and claims only people like him can be happy in this kalyug era. Kriti leaves, warning that Aatish will soon learn what it means to cry ? Aatish laughed like a shameless person on Kriti's talk. Baggi tries to persuade Aatish to apologize, but he refuses. There is a saying that a person's intelligence turns upside down during destruction. kriti and Aatish story ends here. But does kriti's role really end here? Let's see further . You have observed Aatish's questionable tactics and self-serving approach. Now, let us turn our attention to Rajveer's pursuit of power. It is important to note that Rajveer's election campaign is approaching its final days, and he has invested his everything in this endeavor. Amrit finds herself in a similar circumstance, offering fervent prayers for Rajveer's triumph. The election campaign will conclude tomorrow, on the 21st of May, with the voting scheduled for the 23rd of May. Rajveer remains confident about his victory, exhibiting negligible concerns. Although the Haryana Aam Janta Party (H A J P) poses as the sole potential contender against Rajveer's candidacy, it is unlikely that they could prevail over Rajveer.

Today, on the 23rd of May, the voting is taking place under tight security, with the Superintendent of Police and the police force diligently deployed to ensure a disturbance-free and orderly process. Rajveer has tirelessly devoted himself to this cause, and now, he remains patiently awaiting his impending triumph. The

vote counting is set to conclude by the 30th of May, On 4:00 pm when the name of the victor will be officially announced.

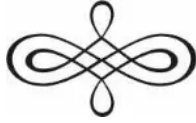

30 May 2020

On election result day, Rajveer anxiously awaits the results, hoping for a victory. The high temperature of the result increases tension for everyone. Rajveer's house becomes a gathering place for party members, including Aatish and Amrit, who are thrilled about his potential success. Everyone's eyes are fixed on the counting of votes on TV. Someone is looking at his phone again and again. But the tense atmosphere changes into a celebratory scenario when Rajveer's victory is announced. Celebrations commence with drums and flower garlands. Amrit is overjoyed and requests the distribution of sweets in Whole Rewadi. Kishu Ji, Visham, and Aatish all congratulate Rajveer. After Rajveer's victory, A huge media gathering outside Rajveer's house. When asked many questions by the reporters, "Rajveer is born to win." Rajveer said in his stern style .

Rajveer spoke to all the media Reporters and thanked them.

All HJP Party leaders , Party High Command, Sunil Sahab and Jagdev come to congratulate him. Jagdev hugs Rajveer, making him uneasy. Sunil announces the party's intention to honor Rajveer after taking oath in the assembly. Rajveer's house echoes with applause. Rajveer invites everyone to a big celebration at his Home in the Evening. Jagdev keeps staring at Rajveer. Jagdev's intense gaze at Rajveer made him uneasy. After Some time even though everyone had left Rajveer's house. Rajveer couldn't forget the feeling of being

watched by Jagdev. When Kishu ji came and discussed the preparations for the evening party, Rajveer shared his concerns about jagdev. Kishu ji reassured Rajveer that Jagdev's behavior was merely a manifestation of jealousy , and advised him to relax and prepare for the party. "Don't worry, I will put my people behind Jagdev." Kishu Ji Said. " Get ready for the Evening party." Kishu ji gets busy in the preparations of the party.Rajveer then proceeded to get ready for the evening's party. Here, Rajveer was thinking about Jagdev again and again. Even if it is a happy occasion, Rajveer can forget anything but he can never forget his Enemies.

4. THE PARTY NIGHT & THE NIGHTMARE .

Rajveer's house is decorated like a palace for the party. Rajveer and Amrit themselves are standing at the gate and welcoming The HJP party chief Sunil Sahab , Main party secretary and president and many party workers, Jagdev , big leaders of many other parties and big businessmen have started arriving, due to which the party is becoming very lively. All of Aatish's friends have also come. On Aatish's request, Baggi invites Haryana's most famous female dancer komal Rani to perform on the night of the party.

Aatish knows that it is his father's dream to become an MLA, and he wants this party to be a memorable moment for his father's life , so he does not want to leave any stone unturned. Aatish is partying with his friends, and Rajveer, Visham, Kishu ji are also taking care of the guests. After eating and drinking, there was a dance performance. Aatish , Rajveer , everyone danced a lot. Alcohol and beauty added glamour to this party. The

celebration went on all night. This party became the most famous party of Haryana. It was being discussed a lot everywhere.

The next morning , Rajveer and Visham are having breakfast when ,

"Visham about the business , " Rajveer asked Visham. " how is it going? I will be able to handle my business only after taking an oath."

Since Rajveer has given all the responsibility of his business to Visham during the campaigning for MLA and Kishu ji was with Rajveer, he was also not in a position to handle the business.

"Everything is going well. If you want, I can tell you the daily profit and loss details of the business." Visham Said. "No-no, I am just asking. I know that Business is in your hands, so I do not have to worry about anything." Rajveer sniggers. "After the oath, I will free you from this burden." At the moment , Kishu ji enters the house.

"Shubh prabhat" to both Rajveer and Visham. Visham Sahab, "Excuse me, I am asking, do you have any confidential business related documents from the office?" says Kishu ji. "Yes, I had to find out something. Now if I have to handle such a big business, then I should have complete information about it. Bhai sahab had never allowed me to do business before, so I thought I should find out everything properly, otherwise if I make a mistake then... he will kill me." Visham Said blandly. OH! "If you had told me once, I would have told you. What was the need to take out such important and internal documents?" Kishu ji said.

"I had taken out the papers but after looking at them, I had them properly kept back in the office room. If you want, you can go and see

them." Visham Said. "I did not mean that Vishm sahab." Rajveer interrupted Kishu ji , Kishu ji! "What has happened to you now? He said that he has kept the papers in the office, so what are you worried about now. Only one week is left for the swearing-in ceremony. We have to think about that too." "Sorry Sahab ji, whatever you say. The program for the swearing-in day is ready. Now we have to go to the party office. Sunil sahab has called us to discuss something important." Kishu ji Said. "Okay Amrit ji, Visham, I am leaving." Rajveer Said. Amrit asked Rajveer to take care of himself. "Bhai sahab, you will go safely." Visham Said. Kishu ji and Rajveer left for the party office.

Oath day 7 june 2020

Rajveer woke up early in the morning. He couldn't sleep the whole night because today was the day to take an oath. With folded hands in the temple at home, he sought the blessings of his Kul Devi Maa Druga. Today, Rajveer is going to start a new chapter in his life. After having curd from Amrit's hand and meeting the family, Rajveer left for Haryana Legislative Assembly with Kishu ji . Rajveer was very happy to reach the assembly for the first time. He had only been sitting in the assembly for a short while when the Governor and other people arrived. The Governor started the assembly and began the process of taking an oath of MLA for all the newly elected individuals. Rajveer also took the oath. He was filled with joy while taking the oath. The oath ceremony went smoothly. As soon as he came out of the assembly Hall , Kishu ji first

congratulated Rajveer and called him MLA Sahab, after which Rajveer hugged Kishu ji. This moment was emotional for both of them. Rajveer knows that Kishu ji has a big hand behind his becoming an MLA.

This shows that this was not just a relationship between Boss and servant, but also a relationship of respect and trust. The series of congratulations and flower garlands continued by the party workers. After meeting all the big political personalities in the assembly and talking to the media, he and Kishu ji left for home. In the car, " Kishu Ji, I had entrusted you with a task, what happened to it? Rajveer asked . " I had keep my people after Jagdev but they did not find anything." Kishu Ji said. Now Rajveer was relieved.

"Sunil sahab has kept it tomorrow for the felicitation ceremony, so we have to go tomorrow. "Kishu ji said. " The felicitation was to be given today, then why tomorrow? " Rajveer asked."I didn't know why ? "Kishu Ji said " But Sunil sahab had called and said that tomorrow would be a good day . "Okay, if it is tomorrow, then tomorrow is fine." Rajveer said .Rajveer after becoming MLA.

As soon as Rajveer reached home, Amrit first of all removed the evil eye from him. Aatish, Visham and Sunita also left no stone unturned in welcoming Rajveer. Rajveer' s family is very excited about the felicitation ceremony.Aatish is sitting next to Rajveer , "I will also go with you tomorrow Papa." Aatish says . "Really! " Rajveer asked in surprise, " If that is the case then get up early, don't keep sleeping, otherwise I will go and you will not even know." Aatish has also decided that tomorrow he will definitely do something special for

Rajveer. What is Aatish going to do? This will be known only tomorrow.

8 June 2020: Felicitation ceremony at the party office.

The entire Sandhu family left for the party office for the function. For the first time, Aatish is going to such a political function with his father. Rajveer, Amirt and Aatish are sitting in the same car. After many days the whole family is together. This moment is very special for Rajveer. A big tent has been put up in the garden of the party office, which is decorated with posters of Rajveer. Rajveer is sitting in the VIP seat with his family. Everyone is not tired of congratulating Rajveer.

Rajveer's name is on everyone's lips. After some time Sunil sahab comes on the stage and starts the function. He tells everyone about Rajveer's role in the party, and congratulates him on his victory. After addressing everyone, Sunil sahab calls Rajveer on the stage. Rajveer starts his speech by saying 'JAY RAM JI KI'. Then Suddenly Aatish remembers that the surprise gift he had bought for Rajveer is still in the car. Aatish wants to give that gift in front of everyone. He quickly runs towards the car. So this was the thing that Aatish wanted to do for Rajveer. Today is such a good day for both father and son. In his address, Rajveer expressed his gratitude towards the party and its diligent workforce. However, Rajveer was still delivering his speech, an unforeseen incident occurred, whereby a bullet was fired. The bullet straight hit Rajveer's left chest, then two more bullets were fired, one hit Rajveer's neck and the other went by touching his

head hardly . Rajveer fell down as soon as he was shot.The sound of the bullets caused a lot of panic.

Some Other bullets hit his guards too, due to which three guards died on the spot and the rest were injured. After some time, the firing stopped. As soon as the firing stopped, there was silence. Then Kishu ji and Vishm ran to Rajveer. Rajveer's whole body was soaked in blood. Seeing all this, Amrit fainted. Sunita held her. Hearing the voice, Aatish came running. Seeing Rajveer in such a condition, Aatish was shocked. He was not able to understand anything. "Papa" Aatish Screamed Loudly . He started to wake up Rajveer while crying. When Rajveer's blood got on his hands, Aatish's hands started trembling. Rajveer was breathing. Everyone quickly took him to the hospital.

Rajveer in Hospital

Rajveer was promptly transported to the hospital, they were immediately admitted to the Intensive Care Unit (ICU) and the treatment commenced. The news of the attack spread all over Haryana. This news has become the priority of media channels.

After a brief period, the Deputy Superintendent of Police (DSP), Superintendent of Police (SP), The HJP Party President, Sunil Sahab and Main Members, and the entire police department promptly arrived at the hospital. The DSP diligently obtained comprehensive details about the attack from Sunil Sahab and initiated an extensive investigation into this incident.After a long time, the doctor came out of the operation room and told everyone that the bullets have been

removed successfully. However, the condition is still critical due to the bullet injury in the brain. After giving the report, the doctor went back to the ICU room. At present, Amrit is unconscious. Sunita is taking care of Amrit. Aatish is very sad about the condition of Rajveer and Amrit, although he is trying his best to hide his feelings. Aatish's life has taken an unexpected turn here. What sorrowful tempest shall this turn bring in Aatish's life? Alas, Aatish knows that his life shall be scattered like fragile straws in this storm.

15 June 2020

It's been a week. Still there is no improvement in Rajveer's condition. Many leaders and party presidents came to meet him. The series of meetings continued. No one has been arrested in this case yet. All the family members and Kishu ji were asked about the old rivalry, but no one came to know about any such rivalry that could take Rajveer's life. The police are also investigating from the angle of business rivalry. Amrit was conscious, but she kept standing outside the ICU room all the time and looking at Rajveer.

On June 24 2020

IT department officer Deepak Chandel and his officers came to the hospital with the police. Deepak is honest and strict towards his work. Even though he is short-tempered, he is a very good person.

IT officer Deepak Chandel tells everyone there that we have raided the illegal property of Rajveer Singh. We have received information that Rajveer Singh has illegal property worth crores of rupees, which includes a house, office, and factories. After Rajveer Singh, Amrit Singh and Aatish Singh has the ownership rights to all of these. So, Aatish has to come with us for an investigation. If the property is found to be completely illegal in this case, then the property will be confiscated and arrests will also be made. Aatish, Kishu ji, and Visham are shocked to hear all this. Kishu ji is getting worried. But we have never received any notice regarding this and no official has ever said before that our business is an illegal business."I am not your Servent to ask for a raid. This is a raid and there is no need to give notice for the raid." Deepak said. "sir, someone has given you wrong information, and how is this....." Kishu ji said.

"we will do the questioning, not you! You just cooperate. This will be good for all of you." Deepak said Angrily.

For this Kishu ji apologized to Deepak. Visham told them that my knowledge about Bhai Sahab's business is limited, as I have taken charge recently. Bhai Sahab and Amrit Bhabhi are not in a good condition to tell anything. If you permit, can I stay here to take care of them. Deepak agreed for This. "Okay, Only you can stay here." Deepak Said. "I will also stay in the hospital." Aatish said. "No, you have to come with us, as most of Rajveer ji's property is in your name." Deepak refused and said. Aatish protested, "But..." Just then Kishu ji came in between and signaled Aatish to go with Deepak. "Okay, we are ready to go." Kishu ji said. Aatish and Kishu ji left for

home with IT officials and police. The entire house and office were thoroughly searched. During the search, the officials destroyed the entire house. Seeing all this, Aatish was turning red with anger. Aatish and Kishu ji are currently being Deep interrogated regarding the business. Seeing all this, Aatish was turning red with anger. Aatish and Kishu ji are currently being Deep interrogated regarding the business. Seeing all this, the only thing going on in Kishu ji's mind was why the raid was conducted after the attack? Who would have given all the personal information of the business for the raid? And all these things happening during the attack mean that some big incident is about to happen. Kishu ji knew that such a big business is not completely clean, there is illegal money in it too. Kishu ji is just afraid that the IT officer might come to know about those illegal properties. Aatish is not able to understand how to answer these questions? He never paid attention to business or money matters. Right now he is only worried about his father. What Kishu ji feared finally happened. After a thorough investigation, more than half of Rajveer's property was found to be illegal. The property which was illegal was in the name of Amrit, Rajveer and Aatish. Deepak arrested Aatish for having illegal property.

IT Officer Deepak seized Many documents and ordered to close those illegal properties like factories and offices.

On 25 June 2020

The police took Aatish into custody. Kishu Ji explained to them that the property was in Aatish's name but he had nothing to do

with it. Deepak tells that We arrest Amrit Ji, but such is the condition of Amrit Ji and Rajveer Ji, that is why we are not arresting them. On hearing about Amrit and Rajveer's arrest, Aatish angrily grabbed Deepak by his collar "You will arrest my mother, how dare you! Don't you love your life?" Aatish said. "Aatish, leave him! Leave him!" Kishu Ji said . He released Deepak's collar from Aatish . " As soon as the collar was released, Deepak started coughing. "You rich kids have become very fat by eating illegal Money, Okay, I will take off all the fat." Deepak said. After this, the police handcuffed Aatish and dragged him to the police station. Kishu Ji could not do anything even if he wanted to. After Aatish's arrest, Kishu Ji went to the hospital and told everything to Visham. Visham is not able to understand what is happening ? "Sunita, you take care of Bhai Sahab and Bhabhi, we are going to the police station. Remember that Bhabhi should not know about all this." Visham Said. Kishu ji and Visham go to the Police station . After talking to the IT officer and getting the information, Visham told them that Everything is in Aatish's name But Aatish has nothing to do with all this. Till date my nephew has not even set foot in a factory or office. Deepak tells Legally Aatish is the culprit. We were questioning him. If he tells the truth then it is good otherwise be ready to go to jail. Kishu ji and Vishm were not able to understand what to do? Amrit, Rajveer are in the hospital, Aatish is in custody, the business has also been seized. Both of them decided to arrange for a big and expensive lawyer.

Both of them talked to many lawyers. Some big lawyers are not getting involved in this big case and Visham was not able to afford an expensive lawyer because his status is not as good as Rajveer's. On

top of that, Rajveer's property has also been confiscated so no other financial help is left. Visham doing as much as he can.

25 June 2020, Aatish in police custody.

Aatish, who used to sit on a velvet bed, is now sitting on the floor in a stinking lockup. The policemen whom he considered his servants, do not even talk to him politely today. Aatish even raised his hand on a policeman. That policeman is Ranjit Khattar. Ranjit wants to teach Aatish a lesson at any cost. He is just waiting for night when there will be no one else in the police station except him. Today the IT officer was interrogated the whole day and by evening both the SP and the ITI officer left. That night Ranjit deliberately took charge of the police station. He sent some policemen for night patrolling.

At 11 pm Ranjit explained the plan to the six According to plan The constables started provoking Aatish.

"So how is the spoiled child of a rich father feeling in jail?"
Constable 1 says.

"Hey, speak politely! " Constable 2 laughs loudly and says . "He is the son of a millionaire . Which , All his property is illegal. Haaaa! Haaaa! Haaaa!" "Hey dog! What did you say?" Aatish Screamed . "Once I get out of here then I'll tell you whose son I am?"

"What did you say, you bastard? You have gained a lot of fat, haven't you? Today I have to take off all your fat." Ranjit Said.

After opening the lockup, Ranjit and his constable started beating Aatish brutally. Aatish also beat them, but they were seven and Aatish was alone! "From today onwards think 100 times before raising your hand on Ranjit Khattar, Aatish." Ranjit said to Aatish. They kept beating Aatish with sticks and kicking him. At that time, there was no one else in the police station except three prisoners who were in another lockup and those policemen. For the first time someone has beaten Aatish like this. He is groaning in pain. There is no one there to hear his screams and painful cries. Today Aatish came to know what crying means. Aatish was subjected to physical assault from 11:00 pm to 1:00 am. Eventually, Ranjit ceased his beating actions upon Aatish's declining consciousness. Aatish, in need of water, requested it. However, Ranjit opened the water bottle before Aatish and discarded its contents. Although Whole water spilled, Alas Aatish lacked the physical strength to rise and drink. Ranjit found amusement in Aatish's situation, as he had successfully taken revenge against Aatish. The following morning, Kishu ji and Visham met with Aatish at the police station. Actually, Kishu ji and Visham sought permission from the IT officer to visit Aatish, which they gratefully obtained. Upon witnessing Aatish in such a condition, Visham inquired about those responsible for harming his nephew. He questioned who possessed the audacity to do so ? Ranjit claimed that Aatish had engaged in a dispute with the other prisoners, resulting in his present state. There were only two senior constables on duty during the night shift. We were conducting a patrol when we witnessed an incident involving Aatish, who was being assaulted by the prisoners. We promptly intervened to rescue him from their grasp.

Following this, Ranjit departed from the scene. Aatish, visibly injured, struggled to open his eyes and maintain his balance as he approached the cell bars. Throughout this ordeal, Aatish knows that Ranjit lies towards everyone. Kishu ji informed Aatish that Sahab ji's condition was deteriorating and expressed Saheb's desire to speak with Aatish personally. I have already arranged a conversation with the IT officer, although it was quite challenging to secure permission. Therefore, we must now make our way to the hospital. Aatish, filled with apprehension, inquired, "What has happened to Papa? Is he alright?" Visham reassured him, saying, "Worry not, my dear son. Everything is under control. Bhai Saheb wishes to meet

you." After completing the necessary paperwork, Aatish, accompanied by several police officers, Visham, and Kishu ji, departed for the hospital.

26 june 2020 .

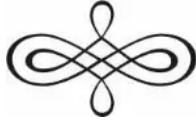

Aatish met his father Hospital After Custody.

Amrit, who was sitting outside the ICU room, went and hugged Aatish as soon as she saw him. "It is good Son that you came back. Where have you gone? Your father will get well soon when he sees you, go to him quickly ." Amrit said to Aatish . Aatish's eyes were filled with tears after seeing Amrit in such a condition. His mother doesn't even know where he was for so many Hours. Aatish went alone to the ICU room and sat next to his father. "Papa ji." Aatish said in a low voice .As soon as Rajveer heard

his voice, he came to his senses. "Aatish," Rajveer said . "Today I am going to tell you something that even Kishu ji does not know." While speaking, Rajveer's breathing became fast. It had been quite a while since Aatish had gone in. After Some time, suddenly Aatish called out loudly to Kishu ji from the ICU room. Kishu ji ran inside the room.Only Rajveer, Kishu ji, and Aatish are in the room. After some time, Kishu ji called the doctor inside to see Rajveer. Aatish came out after about 45 minutes. Aatish is standing quietly with his eyes down. The police said to Aatish, "Come on, the meeting time is over now." While leaving, Amrit keeps calling , Aatish! Aatish ! but Aatish did not look back. Kishu Ji came out. "Is Bhai Sahab alright? Why did Aatish go away like this without saying anything?" Visham asked Kishu Ji . "Sahab Ji is fine. Aatish has seen Sahab Ji in such a condition for the first time, maybe that is why he became sad." Kishu Ji replied . "When will my Rajveer Ji get well?" Amrit asked . "Don't worry Malkin, it is a matter of just a few days." Kishu Ji said .

Now is the moment when Aatish must face imprisonment.

Aatish has arrived at the police station. He refrains from engaging with any personnel, whether it be the IT officer or the police. Choosing silence, he isolates himself to a corner. Kishu Ji and Visham have employed several legal professionals to secure Aatish's release on bail, but their efforts have proven unsuccessful thus far. There have also been allegations made against Amrit, but due to her mental state, no legal measures have been taken against her.

5. MEET OUR DEADLIEST ANTAGONIST.

After being convicted on June 30 , 2020 . Aatish was sent to jail from remand. A few days later, news came that Rajveer had gone into a coma. Kishu ji and Vishm were trying their best to get Aatish released, but for some reason Aatish was not getting bail. The lawyers tried a lot but the judge sahab would not sign the bail papers citing some or the other deficiency. Unfortunately, as time passed, the police officers were unable to identify and catch Rajveer's attackers. As a result, his case is stuck waiting for further events to unfold. Such a big case cooled down so quickly. It is surprising that after the Rajveer incident, the party appointed Jagdev Dahiya to the vacant MLA post. Merely a month after the attack, influential party members exerted pressure on the party leadership, threatening to resign unless Jagdev was given the opportunity to become an MLA. Consequently, the party faced a potential uprising. In light of this, Sunil Sahab took the decision to appoint Jagdev Dahiya as an MLA. Notably, those party members who previously did not

accord Jagdev due respect are presently leaving the party in order to support him in his new role. As a result, Jagdev has successfully assumed the position of MLA, with great credit attributed to his son, Mukti Singh Dahiya. Mukti is Jagdev's illegitimate child. Jagdev had two daughters. After that he could not have a third child. Jagdev had illegitimate relations with many women. He had a son from one of those relations. That woman died after a few months. Jagdev brought his five-month-old son and gave him to his wife. His wife and daughters raised that child with great love like their own son and brother. Jagdev's life is in his only son.

What a wretched individual Mukti is!

meet our Antagonist. With his dark complexion and well-built muscular body, he exudes sheer terror like a horde of devils. His cruelty, ruthlessness, and selfishness far surpass those of his father. Without a shred of hesitation, he takes lives to serve his own self-centered goals. He has studied in a law college and even held the prestigious position of youth president, which marked the beginning of his political career. Despite numerous complaints from female students regarding his physical harassment, being the youth president and benefiting from his politician father's support, he enjoyed immunity from any consequences. The entire college cowered in fear, unable to summon the courage to take action against him. The fear of Mukti is so much that no one has the courage to speak in front of him. Even the biggest officers are afraid of taking action against him. Mukti proudly flaunts his motto, always on the tip of his tongue: " Mukti Se Dushmani Matlab Duniya Se Mukti. " Driven by blind obedience to

his father's commands, there is no limit to what he is capable of. By now, all of you must be aware that Mukti is, indeed, a monstrous incarnation in human form.

Aatish means fire, this story started with fire and will end with fire too. The story is turned for a new way. Time seemed to be passing faster than the wind. 4 months have passed. Aatish is still in the same condition as he was when he came after meeting Rajveer. He does not talk to anyone in jail. Many prisoners make fun of him and fight with him, but he does not pay attention to anyone. Some good prisoners take pity on his condition and feed him. They take care of him because Aatish has stopped eating and drinking and does not meet anyone. His friends, Kishu ji or Visham come to meet him but he does not meet anyone.⁵ Oct 2020, Kriti Comes to the Rajveer House . Amrit had returned home from the hospital but she was not the same as before. The face which used to be full of smiles is now filled with sadness. Kriti comes inside the house. Amrit Surprised to see Kriti. Amrit immediately goes and hugs him and takes the stuff from his hand and puts it down. After touching her feet , "How are you Aunt Ji?" Kriti asked. With tears in her eyes , " I don't even know what kind of person I am? " Amrit Said. "A woman whose husband is in a coma and whose son is in jail for months, what kind of person can she be?" " I was in Delhi , when Rajveer uncle was attacked . " Kriti told Amrit. "Actually..... , Kriti stops speaking." Then she asks about Aatish's bail?" We all have been working on it for so many months but are not getting bail." Amrit said . " I know a good lawyer. If you tell me, I will talk to

him. I guarantee, he will definitely get Aatish bail." Kriti says . " Okay , whatever you say." Amrit said.

Both of them embrace each other. 27 Nov 2020.The day of hearing for Aatish's bail in court.Kriti had brought her lawyer. The case proceedings began in the court room. Arguments continued for several hours. Finally Aatish got bail. The charges against Amrit were also dropped and he was completely acquitted in this case by giving him a clean chit. Aatish is standing quietly in the dock with his head down. He does not care what is happening. Everything went well but the property remained confiscated and will remain confiscated until there is a response from IT.

After Aatish gets bail!

It made no difference to Aatish getting bail.Amrit kissed Aatish's head with Teary eyes , " Happy Birthday Aatish My son. It's your 25th birthday. "Amrit said . " Well , No matter what happens, a mother can never forget her child's birthday. All this has happened because of Kriti."As soon as he heard Kriti's name, Aatish raised his head and looked up. Aatish Feeling embarrassed to Kriti . "Kriti you did all this for a person like me?" Aatish Asked.As soon As Aatish goes to hug Kriti, Kriti stops him. "What happened ?" Aatish Asked . "You are still angry, right? I never thought that you would come back and do so much for me....." Kriti Interrupting Aatish , " Meet him, he is the one who got you bail, Varun." She told him. Aatish was shaking hands, "Thank you Varun ." Aatish said. " I will never forget this favour of yours. " " Varun is my fiance, we are getting married next week." Kriti said . "The wedding card is at your house. I was engaged

when Rajveer uncle was attacked. It is because of Rajveer uncle and Amrit aunty that I have not returned. Do not be under the illusion that I have done all this for you, Aatish."Clutches in Heart of Aatish but he is still smiling , "Did right! " Aatish Said. Varun told Aatish, I know about Kriti and you. The judge is my uncle so I got bail easily."The stuff you brought contained your wedding card ! " Amrit said . "Varun takes care of Kriti. Aatish says. "Congratulations to both of you for your marriage . And please forgive me, I have a lot of work so I will not be able to come to the wedding. "Kirti and Varun leave from there. Now We say that kriti's role really ends here .Seeing all this, Amrit felt very bad for Aatish. She kept looking at Aatish . Aatish told Visham to take Mom and Aunt home . I have some work. We will be able to come back only by evening. So don't worry .After asking Aatish to take care of himself, Visham went home with Sunita and Amrit.Aatish and Kishu ji left by car.Aatish in his home after getting bail.

In the Evening Aatish came home with Kishu ji. As soon as he came home, Aatish went to his room.Seeing Kishu ji, Amrit asked about Aatish. " He has gone to his room." Kishu ji said . "Well I am also leaving for home, greetings Malkin. " Okay you go. " Amrit said. After some time , shouting from his room, " Mom is the food ready?" Aatish asked Amrit . " Yes the food is ready, you come down quickly." Amrit Replied. Aatish freshened up and came down to eat. As he was about to take the first bite, he saw his father's table lying empty and his hands stopped. Seeing his still hand, " Son, your father will come.Amrit said. "

Eat your food quickly, we also have to go to the hospital. " "No Mom , We will not go to the hospital. " Aatish said . "I am just coming from the hospital. Papa will come home. " I told Kishu ji and made all the arrangements. Papa will come home tomorrow with the medical team and machines. Mom, you just prepare to welcome him. "Really son! Amrit says . with folded hands, " Oh Mother Goddess, please cure my Rajveer ji."

Aatish could see the joy of Rajveer's arrival in Amrit's eyes.

.

6. AATISH MAKES PLANS FOR THE ENEMIES.

No one has any idea what was going on in Aatish's mind?

28 Nov 2020

Aatish and Kishu Ji left for the hospital in the morning to bring Rajveer. Amrit also asked the servants to clean Rajveer's room. Aatish brought Rajveer in 2-3 hours. Rajveer was sitting in a wheelchair. Amrit did her Aarti and welcomed him Properly. Vishm was also very happy to see his elder brother. Kishu Ji took the medical team to Rajveer's room. There the team installed all the necessary machines. Amrit just keeps looking at Rajveer. Rajveer's face was bandaged and there was no movement in his body. The medical team and Aatish came to take Rajveer , " He has just arrived and is taking him to the room right now. "Amrit said . " Aatish why are you in such a hurry ? let Bhai Sahab stay with us for a while. " Visham also said. Aatish explained to Amrit that it was necessary to install

machines because we cannot keep him in a wheelchair for long. "If that is the case, let us all go with him," said Amrit. Everyone went to Rajveer's room. The team made Rajveer lie on the bed and connected his entire body to machines. "Nurse, you have connected so many wires that I cannot even see his face properly." Amrit said. "Mam, this is important." The nurse replied. "It doesn't matter," Aatish said. "Once he is alright, he must be tired after travelling such a long distance, let us rest him. She is the head nurse and will take care of him." Leaving the nurse, The Medical team and everyone else came out. The team went back to the hospital. Amrit and Sunita went to the kitchen. Vishm went to do his work. Now it's time to see Aatish as "The Boos". "Kishu ji, I want to ask you something?" Aatish said. "Yes," Kishu ji said. "Tell me." "How much cash do we have right now?" Aatish Asked. "Very little," Kishu ji said. "Barely 3 to 4 crore rupees, the rest is all seized." "Well, this will be enough. I am giving you the details of some criminals. You have to get them all bailed out." Aatish Said. Kishu ji was surprised, "who are they and why do you have to get them bailed out?" Kishu Ji Asked. Aatish Told kishu Ji that these 12 people were in jail with me. All of them took great care of me. They work for money but are very loyal to those from whom they take money. Even if someone gives them a lot of money, they do not betray their master. I just want their loyalty.

"But" . Aatish Interrupted Kishu Ji. "Kishu Ji, remember one thing from today. Whatever I do, whatever I say, you will never question me." Aatish Said. "Consider this my request, not an order. Can you even do this much for your son?" Kishu ji With moist eyes, "Whatever you say, My Son. All of them will be in front of you by

tomorrow. " Kishu Ji Said. Aatish hugged Kishu ji and thanked him. Aatish called Baggi and called him along with the other three friends to his house tomorrow.

Rajveer's treatment started at home.

Everything seemed fine but no one had any idea what was going on in Aatish's mind ?

As soon as it was morning, Aatish got ready and came down. Amrit got surprised because till date Aatish had never woken up so early and his clothes were also a little different. Earlier Aatish used to dress like a party boy but today he was dressed like a business tycoon. Amrit could not resist , " Aatish, Son what are you wearing? " Amrit Asked. " why don't you like it? " Aatish said . " it looks a little different. " Amrit Said . " Mom, I am going to change everything, so I will also have to change a little. "Aatish said smilingly . Saying this, Aatish went away from there. Amrit did not understand his words.Aatish is planning something Big.After a few hours Kishu ji came inside." All those whom you asked to bring have come. " Kishu ji tells Aatish . " Bring everyone to Rooftop. " Aatish Said . While Aatish was speaking, Baggi also arrived there.Baggi Hugging Aatish . " How are you? " Baggi Asked. " I'm fine . where are those ? " Aatish Said. Baggi said those three are just coming after parking their car . Aatish told everyone to Come to the rooftop.

Who are these 12 people?

So know about them, 12 people whose bail has been arranged by Aatish. Those 12 people were criminals in different cases and were serving sentences. The group works for money. They can do anything for the one they owe. The name of their leader is Shooti aka Sonu. Shooti is his Nike Name. Shooti looks tall and Broad, has a heavy voice and a sniper attitude on his face. All these things are enough to make Shooti the leader of such a Dreadful gang. Shooti is an expert shooter who has never missed his target, So that's why everyone calls him Shooti Bhai . Shooti Name has a very unique technique in Haryanvi Accent. Every member of this group has a licence to kill anyone. This group is clever like a fox and loyal like a wolf. Everyone went to the roof. " I have got them out as you said. Now what to do next? " Aatish said to Baggi . Actually Aatish's friends had told him about these 12 people. Baggi is very smart among Aatish's friends and he has contacts with very powerful people. In a questioning tone, "Does this mean you all know them! " Kishu ji asked. " yes," Baggi said. " Kishu ji, Aatish himself had said on the phone from the jail that he needs people who are well trained fighters and shooters." I found out about them from my contacts. Then I asked Aatish to meet them. " I had hired them in the jail itself. " Aatish said. " we need high-tech cameras and guns which will cost a lot of money. " Shooti Said. " Please give them as much money as they need." Aatish said to Kishu ji . Shooti tells Aatish that he has ordered guns from people he is in contact with. All the guns will arrive by evening. Aatish tells Kishu Ji that he is going out somewhere with his friends. Till then please show Shooti the whole house and introduce him to the people in the house. "Okay! You go. I will take care of everything." Kishu Ji

said. Saying this, Aatish and his friends left in the car. Aatish and his friends reached a mansion in Pachgaon, 37 km from Rewadi. The caretaker of that mansion and his people stopped the car at the gate but when the caretaker saw Aatish, he let everyone in. Aatish already had many keys, with one of them he opened the lock of the mansion and went inside with his friends. The caretaker stayed outside with his people. Aatish's friends found it very strange, what Aatish came to do in this village mansion? There were many rooms in that mansion, all the rooms were locked. Aatish opened a room next to it. There was only a big wooden box in the room. As soon as Aatish hit the box with an iron rod, it broke. As soon as the box broke, bundles of notes started falling out of it. Aatish's friends were speechless. Brother, treasure! And that too in this village!" They said. "Papa once told me that we have a house full of money. "Aatish said . " But I never believed him, but today I believe that it is true." " Does this mean there is money in this entire house ? " Baggi asked . " Yes , The Entire House is full of Money. Aatish replied . " Now leave all these things, call some people from outside and get all the money kept in a van outside. " Baggi did the same. Aatish Order The caretaker to remember that this gate should not be opened for anyone except me or my friends. "We are Rajveer Sahab and your loyalists, So don't worry. "The caretaker Said. Aatish and his friends left for home with the van full of money. In the car, Bhanu could not resist , "Aatish how much cash is this?" Bhanu Asked. "I also don't know properly but maybe it will be up to 20 crores because Papa had said that there will not

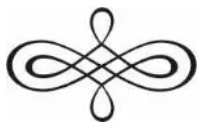

be less than 20 crores in each box. "Aatish Replied.Hearing this, Bhanu was stunned. Aatish and everyone else started laughing looking at Bhanu. Aatish and his friends are back at home with money .It was very late by the time everyone reached home.Everyone was asleep. After coming home, Aatish first got the money kept at the right place. Shooti told Aatish that he has made all the security arrangements in the house. I also met the family members.As you can see, my people are monitoring every corner of the house. One more thing, guns have also arrived. We have spent Rs 2.5 crore on security arrangements (cameras, guns, Safety Alarms , Guards and scanners). Shooti took everyone to the outhouse where many types of high-tech and automatic guns are kept. Shooti also told Aatish that he has installed high voltage current in the railing of the entire roof because the roof is very big and there are many trees around due to which anyone can easily climb the roof, so he has installed current so that if anyone tries to come, he will go straight up. We will take care that the family members do not face any danger from the current. The power supply of security operates in the room near the gate. Aatish took everyone to the roof. There he went near the railing and randomly took out a cigarette and started asking everyone if anyone wanted to smoke it ? Shooti warned Aatish to move away from there. It is very dangerous and there is a lot of moisture in the air today.Baggi asked Aatish to move away but he did not listen. As soon as Aatish put the cigarette on the railing, the cigarette started burning completely due to the electric current. Within a few seconds, the entire cigarette got burnt. Oh!! Aatish's this act is horrifying the scenario !

It was very scary for the people standing there to see all this. There is a huge difference between the Aatish of earlier times and the Aatish of now. Now Aatish is not even afraid of death. Taking the burnt cigarette, "Shooti, I had asked you to do one thing, when will you do it?" Aatish asked. "I am busy with the same work, I will give an update soon," Shooti replied. "quickly!" Aatish said. Saying okay, Shooti left from there to keep surveillance. Kishu Ji also went to his home asking Aatish to take care of himself. Aatish asked Kishu ji about Amrit. "she was asking about you all day long. I told her that you have gone out with your friends for some important work and will return only after having food. Then she went somewhere and slept." Kishu Ji said. Many questions were arising in Kishu ji's mind. He could not stop himself so he asked Aatish. Aatish why such high tech security? Is there any threat to our lives or our family's lives? "There is a threat, that is why I am getting all this done. You can rest assured. This time I will not let anything happen to anyone," Aatish replied. After hearing all this, there was no confusion in Kishu ji's mind. He went to his home. When Aatish's friends also started leaving, Aatish started asking everyone if they knew anyone in the IT department who could give them inside information. Then Bhanu said that his Brother's brother-in-law is in a high position in the IT department. Aatish asked Bhanu to bring him to his house tomorrow. "Okay, I will bring him tomorrow," said Bhanu. Baggi hugged Aatish. "No matter how dangerous the work is, always remember one thing, we were with you and will always be with you," said Baggi.

Hearing this, Bhanu, Monty and Yogi also hugged Aatish. Aatish said, you are not my friend but my real strength and courage, so thank you for everything. In the true sense, a friend is our real companion. Everyone went to their homes. Aatish also went to his room.

Today Bhanu has brought the IT officer. Aatish made Bhanu and the IT officer sit in the hall. Bhanu introduced Aatish to the IT officer. As you know Aatish this is my brother's brother-in-law Amit Singh who works in the IT department. After tea, " Amit Bhai, I don't know how to talk in a roundabout way, I will talk directly Aatish said . " I need some inside information from the IT department, can I get it or not. " " he will get it but it will take time. " Amit told Aatish. " Look it doesn't matter to me whether it takes time or money. I just want to know who informed them about my business to raid my house? " Aatish said . " Okay your work will be done. " Amit said . " if he needs money then let him know." Aatish told Bhanu . " okay" Saying this Bhanu and Amit left. Seeing Bhanu leaving, " What happened? Bhanu so early in the morning? Visham asked Aatish. Aatish didn't want to give any tension to Visham so he didn't tell him why Bhanu had come here ? " he had just come to meet me." He said . Visham went to his room. After a while Kishu ji came and started talking to Aatish. Just then Amrit came mumble . " Aatish threw that nurse out of the house right now or else I will throw her out. " Amrit Said. " what happened Mom? " "The nurse doesn't let her touch Rajveer and lets him stay with her only for a short time. " Amrit said . Meanwhile, the nurse also comes there . she tells Aatish that because of him she is not able to check up Rajveer ji properly. All this is very important for Rajveer ji. Aatish Apologizes to the nurse on Amrit's behalf. The

nurse went to Rajveer. Aatish explained to Amrit that he should let the nurse do her work because this is very important for Papa's health, only then he will be able to recover quickly. Amrit agreed to Aatish. " Aatish that once Rajveer ji gets well, I will throw this nurse out. " Amrit Said. Actually, due to Rajveer's condition, Amrit is staying in another room.

7. AATISH'S CRUEL FORM.

November 2020 to January 2021

It has been almost a week but Aatish has not heard anything about the raid. Amit has been transferred. Aatish's last hope has also ended. Anyway, Aatish will find out about that person someday. But right now Aatish is more curious to know who shot Rajveer? He keeps thinking about this day and night. The time has come for Aatish's waiting to end. The task that Aatish had assigned to Shooti was to find out the attackers of Rajveer. Finally, in a few days, Shooti gave some information related to this to Aatish. Shooti told Aatish that he has come to know about a gang that knows something about Rajveer Sir. Without wasting time, Aatish went to meet that gang with Shooti. Kishu Ji stayed at home, to handle the house.

After reaching there, Shooti introduced Aatish to the gang leader. " who shot my father? " Aatish angrily asked. The Eagerness to know about the shooters can be clearly seen on Aatish's face. The gang leader got a little scared by Aatish's behavior Because

Aatish grabbed his collar in front of so many armed men. Aatish was not scared of him or his gang at all. Gang Leader tells everything about the Rajveer killing contract. he tells that we were given a Supari (contract) to kill Rajveer ji but we refused to take the contract because we were scared that it was not easy to kill such a Powerful man, but one man from our gang agreed due to greed for money. We immediately expelled him from the gang. After that how did those two kill Rajveer ji , We don't know? And I cannot tell you anything more than this . "who gave the contract? " Aatish asked . The gang leader tells that until we take the contract, we do not know anything about the person who gave the contract. Who was he? Where did he come from? We do not know anything about him. Yes, I can tell you about the one who was from our gang. He is not in Rewadi right now. He has been underground since the attack. He can be in Bhatinda because his hideout is there. Shooti asked the gang leader for the photo and details of the attacker. The gang leader gave them. Aatish gave three lakh rupees to the gang leader. "whatever you told here should not be known to anyone. It was good that you did not take the contract, You and your whole gang was saved." Aatish Said. Aatish's punch Scared The Gang and The Leader.Aatish and Shooti returned home from there. Aatish told all this to Kishu ji.Aatish asked Kishu Ji to take care of the house when he is out. He also forbade her from telling Visham about all this. He did not want to involve his uncle in all this. Since Visham is a very simple person, Aatish did not want to put him in any danger. "You understand, right?" Aatish said. "If I don't understand, who will?" Kishu Ji said. "Just remember one thing, whoever is behind this, should not escape." "You don't worry about it

at all." Aatish said. Two days later, Shooti told Aatish that we have found one of the attackers. He was earlier in Bhatinda but now he is at his brother's house in Punjab. I have put my men on the job of bringing him. He will be with us by night. Aatish was quietly listening to Shooti. "Bring the attacker to the outhouse," Aatish said. After having dinner, everyone went to sleep. By 11:00 pm, Aatish and Kishu ji went to the outhouse where Shooti and his men were already present. Aatish asked Shooti about the attacker. Shooti told Aatish that his men had kidnapped the attacker and would bring him shortly. About ten minutes later, two Scorpios entered Aatish's house. 10 people from both the vehicles went to the outhouse with a big sack. They took the attacker out of the sack. Tied him to a chair and gagged him. The outhouse is quite far from the house. The people who brought the attacker are loyal to Shooti. Shooti has a network of many people. Using which he got the attacker kidnapped from his house itself. Shooti paid all those people and sent them back. Aatish took a chair and sat in front of the attacker. Aatish was looking at the attacker like a lion looking at its prey. The attacker regained consciousness. As soon as he regained consciousness, he looked around and started freeing himself from the chair.

Aatish had a cutter in his hand. Firstly, he cut the attacker's thumb with the cutter. The attacker started writhing in pain and his hand was completely soaked in blood. "Shut up!" Aatish screamed. "Completely shut up! If you take anything out of your mouth, I will slowly tear your whole body into pieces. I am removing the bandage, not even the slightest sound should reach

my ears,understood " . After removing the bandage, Aatish went and sat on the chair. He asked the attacker who gave him the contract to kill his father? The attacker cried . "Even if I tell you, you will kill me, even if I don't tell you, you will kill me. " Attacker Said. Aatish started Laughing Loudly."Absolutely Wrong , " Aatish Said. " if you tell , then only you will die but if you don't tell then first I will kill your Brother, Bhabhi, nephew, then your mistress in front of your eyes and I will get their pyres lit by your own hands. After that I will kill you. Now decide whether you will go alone or with the whole family. " Hearing all this the Attacker got scared. He started thinking. "Please don't do anything to my family, I will tell you everything. " Attacker Said. Then he tells Everything to Aatish . The attacker started telling Aatish everything from the beginning. He said that one of my informers had brought that contract.

When our leader refused to take the contract. I contacted the person who gave the contract through my informer.He was offering a lot of money, so I got greedy.I made a plan to kill Rajveer with one of my friends.

Me and my friend arranged the guns and vehicles. All the money for the same was provided by the person who gave the contract. The person who gave the contract was also a good shooter. He always kept his face covered and used to talk in gestures. He knew everything about Rajveer, when and where he used to go. He had made the entire plan. He knew about the felicitation ceremony beforehand. He was the one who shot Rajveer. His condition was that he would shoot Rajveer. My friend and I had only shot the guards. As per the plan,

after the shooting, we went to our respective hideouts. As promised by the contract killer, he gave us 1 - 1 crore. The contractor also told us not to worry about the police . Trust me they will never catch you. I don't know who the contractor was? I don't know this either that Where is my friend? Aatish asked about the attacker's friend. " I have only his photos on my phone. " The attacker Said . Shooti took the attacker's phone. " Aatish , this too will be in front of you soon. " Shooti said . Kishu ji and Aatish were not able to understand who the person who gave the contract was ? Aatish closed his eyes and started thinking . Then he asked the attacker about his informant. The attacker tells that he has not been in contact with him since the attack. Aatish asked Shooti to find out about the informant so that through him he could reach the person who had given the contract. "What to do with the attacker?" Shooti asked Aatish." How many days it would take to find his friend and informer? " Aatish asked Shooti . Shooti replied that , "it is very hard to find out Because they are underground . it would take about a month. " " Okay, until they were found, Cut off one of the Attacker's fingers every day. " Aatish Said. Hearing Aatish's words, the attacker started crying and apologizing to Aatish. His crying and pleading had no effect on Aatish. Everyone left from there except one guard.Aatish, sitting in his room , restless and said to himself, what kind of a son am I ? I could not even become a shield for my father. I wish those bullets had hit me. I did not value my Diamond (Father) and today that Diamond has gone away from me forever. Aatish has not slept properly since the attack . As soon as he falls

asleep, Rajveer's condition starts playing in his mind and he wakes up in panic. He considers himself responsible for what happened to Rajveer. Aatish needs peace , even if it is a little. But he can't find it. Amrit is also not in such a condition that Aatish can go to her and lighten his mind. Now the only purpose of Aatish's life is to kill his father's attackers.

Now Aatish has become very disciplined and determined towards his work and responsibilities. Aatish started working on expanding his remaining business. Aatish was always busy with business work. Aatish, who used to spend lakhs and crores of rupees, now keeps track of every penny. Aatish even remembers what he did with the money , to whom he gave how much money and why he gave it. Aatish would have never thought of all this before while spending money on extravagance. Well Now , The family members saw Rajveer's image in Aatish. Aatish had made himself like Rajveer. From his attitude to his way of talking, everything became like Rajveer. Aatish keeps an eye on everyone, from business to enemies.

Finally After Four weeks later on 17 January, Shooti caught the informer and the second attacker. Both of them were brought to the Outhouse . where the first attacker was kept. After nightfall, Aatish went to the outhouse. Aatish asked the informer about the person who gave the contract. The informer started trembling after seeing the cut fingers of the first attacker's hands and feet. "All I know about the person who gave the contract is that he hated Rajveer a lot." The informer said . " He used to say that Rajveer Singh Sandhu made a big mistake by becoming an MLA. He used to talk mostly through

gestures. But whenever he spoke, it seemed from his words that he had some old enmity with Rajveer. He never says anything about himself. "

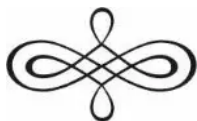

The second attacker said the same thing which said the informer.

" I am giving you 20 Minutes, do whatever you want to do, if they are hiding something from us then get out the information in their bodies. if they tell then it is fine otherwise I know what to do. " Aatish said to Shooti . Shooti did the same . He made all three of them go to hell alive by his torcher. Aatish understood that whatever happened , happened because of the MLA seat, so now my next step will also be the MLA seat. After 20 minutes of torture, Aatish stopped Shooti. Aatish has guessed that these three do not know about the person who gave the contractor. "So , if you do not know anything then you should be freed, isn't it? If you want to be free, I will free you right now." Aatish said to the attackers .As soon as he spoke, Aatish started attacking the informer and the two attackers with a sharp sword. He freed all three of them from life and killed them. The heads of both the attackers were separated from their bodies. The three could not scream because their mouths were shut. The condition of their hands and legs was also the same. The pieces of the bodies were being thrown here and there due to the blows. Still Aatish's hands were not stopping. Only body parts and blood were scattered on the floor. Aatish was pouring out all his anger and pain on them through the blows. When Aatish cuts all three into many pieces, everyone present there gets scared of Aatish. Kishu ji gathered courage. "Stop it Aatish! Stop My Son!" Kishu ji said

to Aatish. Aatish stopped his hands on Kishu ji's saying. Aatish's face and whole body became red with blood splatters. Aatish started panting. The blood-soaked face was making Aatish even more scary. "Shooti, take their photos in this condition. Remember that their faces should be clearly visible. Burn them after taking the photos. Make sure that no one finds out anything." Aatish sat comfortably and started smoking a cigarette. This form of Aatish was scary. As soon as he finished the cigarette, he went to his room. Shooti took the photos and burned the bodies of all three. Aatish went to the room and stood in front of Rajveer's photo. "I have killed two. Only one is left but I will not give him such an easy death." Aatish said. Saying this, he went to take a bath. As soon as it was morning, Aatish asked Shooti about last night's work. Shooti did exactly what Aatish had asked him to do. He disposed of the bodies properly. "Prepare a list in which to write the names of those people who do not like Papa at all." Aatish said to Kishu Ji . Kishu Ji started working on this. In a short time Kishu Ji made the list and gave it to Aatish. There are names of a total of six people in the list. "Out of all these four are enemies in business and two in politics. " Kishu Ji said. " Make six envelopes and put the photos of the dead bodies of those three and a new phone number in all of them. " Aatish said to Shooti . " Send all the envelopes to the addresses of all these six people. And yes the address..... ." Interrupt Aatish , " don't worry it will not be ours."shooti said . Shooti sent all the envelopes. Aatish has also kept the phone with that new number with himself. Shooti was not able to understand what exactly Aatish was doing?

After waiting for a long time, Aatish got a call on that new number in the evening. Aatish heard the caller's voice, the caller was speaking but Aatish was not saying anything. Aatish only listened to his voice. After a while, Aatish disconnected the call. Aatish called Baggi and assigned him the task of finding that number. Baggi asked for time till tomorrow. It took time for the details to come but Baggi brought them to Aatish. As soon as the details came, Aatish cleverly destroyed his new phone and number so that there would be no problems in the future. Baggi told Aatish that the number from which the call came is currently switched off, but the location has been found. Baggi told the address. Kishu ji was shocked on hearing the address. The address was of none other than Jagdev Dahiya.

Aatish had never heard Jagdev's name before. Aatish asked Kishu Ji about Jagdev. Kishu Ji told Aatish everything about Jagdev . How jealous Jagdev was of Rajveer sahab. His jealousy increased even more when sahab ji became MLA. Sahab ji told me that on the day of the results he hugged sahab ji in a strange way and kept staring at him. Because of the evening party , that's why we did not pay attention to this. But I had put my men behind Jagdev. We did not find anything suspicious against him. After which Me and Sahab ji were relaxed about Jagdev's case.

8. AATISH AND MUKTI FACE OFF.

January to April .

Now Aatish knew that Jagdev was behind all this but he also knew that Jagdev had not shot his father. But if we have reached Jagdev then we will reach the shooter as well. "I was calm till I knew who the enemy was. Now we know who the enemy is. So the war start from today." Aatish said. Aatish decided that he would go to the party office. "But why will we go to the party office and when will we kill Jagdev?" Kishu ji asked Aatish. Aatish started laughing loudly. "We will not kill him...." Aatish said. "Kishu ji do you think that I will kill him and the story will end. No Kishu ji, I am going to give him a lot more than death. You just prepare to go to the party office."

From Aatish's behavior, Shooti understood that even though Aatish is younger than him , Aatish knows what power is and how to use it properly. Aatish is intelligent , Sharp and powerful. The next day when Kishu Ji called Sunil Sahab, he came to know from Sunil Sahab that a very big party is going to

be held in the office. Sunil Sahab invited Aatish and Kishu Ji to the party. Kishu Ji agreed to the party invitation.

25 January, At 7 pm in the evening . Aatish, Kishu ji , Aatish's friends and Shooti left for the party .On reaching there, Aatish saw that the party office was fully decorated. Aatish had come to the office during the felicitation ceremony but today he stepped inside the office for the first time. There is a lot of hustle and bustle inside. Kishu ji went to meet Sunil sahab. After a while Sunil sahab came to meet Aatish. Sunil sahab asked about Rajveer's health.Aatish told that he is fine. He is undergoing treatment . he will get well soon. Sunil sahab and Aatish were talking when Jagdev came there. As soon as Jagdev came, " Jagdev ji how are you? " Aatish Asked. " No! not Jagdev ji , call me MLA sahab. " Jagdev said to Aatish . The Arrogance of becoming an MLA was clearly visible on Jagdev's face. "ohh ! Sorry " Aatish said. "Excuse me , you both talk . I will join you later. " Sunil sahab said . Sunil sahab left from there. "well , how is Rajveer? " Jagdev asked . " There was a time when he told me that only those who are destined to become an MLA, become one. But now look, even getting up from the bed is not in his destiny . I feel bad for Rajveer. " As soon as Kishu ji tried to reply to Jagdev's taunts, Aatish stopped Kishu ji with eye gestures..Just then Jagdev's Son Mukti arrived there looking for Jagdev. Aatish and Mukti are standing in front of each other for the first time. Aatish and Mukti are looking at each other. " Meet him my son Mukti Singh Dahiya." Jagdev introduces his Son. Mukti folded his hands , " Ram , Ram to everyone in his heavy voice. " " Mukti is my only Son " Jagdev said . "And Mukti , Meet Rajveer's son, Aatish." Mukti told Aatish that he felt

very bad to hear about Rajveer's uncle's condition . And he prayed that he gets well soon.After listening to everything silently from so late . "MLA Jagdev Dahiya you were just talking about luck right? " Aatish said. " You are right MLA Sahab. you can't say when luck changes. Now see, the MLA chair on which a Lion was sitting till yesterday . today a Street Doggy is sitting on it. " Aatish's friends started laughing at Aatish's words."Remember one more thing MLA sir, whatever belongs to someone, it ultimately goes back to him." Aatish said. Mukti and Jagdev were angry but they also understood that indirectly Aatish was talking about them." Aatish you are still a child. This is politics . Here anyone can do anything for power. " Jagdev said. "So what have you done for this" Aatish asked Jagdev. " I can do Everything and I also did it." Jagdev replied . "Can you even take life ? " Aatish asked. "Yes, I can take anyone's life....." Jagdev replied . Mukti suppressed the matter while stopping Jagdev. Mukti asked Aatish the reason for coming here.

" I have come here for the MLA seat." Aatish said .

"I think you are completely blind. Look, my father is sitting on the MLA's seat." Mukti said. "Your father is sitting but it is my father's. And I will get it back at any cost." Aatish said . Mukti and Jagdev started looking at each other . "Just joking ! don't be afraid. " Aatish said laughingly . Mukti, Jagdev and everyone else also started laughing at Aatish's words. But the fear hides in mukti and jagdev laugh . " I cannot understand your words easily. " Mukti Said to Aatish. Randomly, Aatish put his hand on

Mukti's shoulder , " I don't need to explain to you, just understand it. " Aatish Said . As soon as the party ended. Aatish, Kishu Ji , Shooti and Aatish's friends left for home.

" Mukti what Aatish wanted to say? " Jagdev Asked Mukti. Mukti had understood what Aatish wanted to say ? He tells Jagdev that it seems that after his father, the son also wants to go into a coma. You should not worry about all this.

The next day, Kishu ji comes to know the story of Jagdev becoming an MLA from Sunil Sahab.

Sunil Sahab told Kishu Ji everything about how Jagdev and his son intimidated the party leaders and members by giving them money and by threatening them. Everyone was afraid so they sided with Jagdev. Everyone started rebelling against me. Under pressure, I was forced to make Jagdev an MLA even though I didn't want to. Sunil Sahab also tells that Jagdev can never do all this. All this is the doing of his son Mukti. Mukti is a youth leader. He has so many criminal connections. He himself is also a criminal.

Jagdev House

Now Mukti has come to know that Aatish is going to do something bigger . " Mukti tell me the truth, have you done something?" Jagdev Asked Mukti . " Firstly you sit comfortably. I am telling you, listen to me carefully. I shot Rajveer. " Mukti Said. Jagdev was stunned to hear this. " what..... you killed Rajveer, but why? " Jagdev said . " To

make you MLA. " Mukti replied ." But you have said that you will make me MLA by paying money and threatening the party people. " Jagdev said .

Jagdev was angry because he wanted Rajveer to see that he had become an MLA. He wanted to humiliate Rajveer. On the day of the results, he thought that even though Rajveer had won today, he would become the MLA after this. Mukti could not understand this. Rajveer was definitely Jagdev's enemy, but he had also thought about killing Rajveer, but he never did that.Perhaps that is why on the day of the results, Jagdev hugged Rajveer and kept looking at him. "What the father could not do, the son has done it." Mukti said. "You just sit on the MLA's chair and watch the show. This should remain between you and me, understand. If he (Aatish) wants to fight, I am ready. Let's see what he does." Even though Jagdev is Mukti's father, Jagdev himself is very afraid of Mukti. Now the war between Aatish and Mukti has begun. The time has come for many secrets to be revealed. Wolves are sitting in the skin of friends. Aatish is ready to take away their skin as well as their lives.

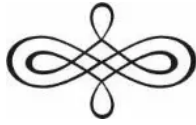

In February, Aatish has set out towards his destination.Aatish asked permission from Sunil sahab to join the party. Sunil sahab gave him permission and also said that do whatever you want to do. You have my full support. Aatish joined the party as a worker. He started attending every party meeting. Aatish treats everyone with great respect. Whether it is a small worker or a big leader. Kishu ji supports and guides Aatish at every step.

Slowly everyone started liking Aatish. Everyone respects Aatish just as Rajveer. Aatish helps the party (HJP) in every way. Like gathering youth with the help of his friends, attracting them towards his party. Aatish used to do every work very well. In a few months, Aatish succeeded in making a special place for himself in the party. Aatish also funds many organizations on behalf of the party. Aatish was getting both the support and love of the public. Because of Aatish, the HJP party also started getting people's support. All the arrangements for money were done by Baggi, from Pachgaon's Kothi. Pleased with Aatish's work, the party's high command and Sunil sahab declared Aatish as the party's youth president. No one in the party objected to this, rather they gave their full support to Aatish.

Seeing Aatish rise, Jagdev was feeling like he was before when no one valued him. Jagdev was quietly watching everything because Mukti had forbidden him from doing anything. Aatish has now become a big name in Rewadi from business to politics. The family is also very happy with Aatish's success. Amrit looked at Aatish happily and told him that if your father had seen you like this today, his chest would have grown from 56 inches to 56000 inches. Aatish explained that Mummy ji, I have given you and Papa a lot of pain, so from now on I will only give you happiness. And yes, you don't worry about me at all, you just relax. Your son has now learned to change the direction of the winds. "How can I not worry, I have only one son." "Mummy ji, I wish I had a brother or sister, he would have taken care of you when I was away." Amrit told Aatish that when you were about to be born, your father did not like me staying away from him at all, so he refused to have a second child. The one who Rajveer Ji never used to

stay away from me. Today he doesn't even look at me. Amrit got a little emotional while saying this. " Mom, Papa ji will get well soon. " Aatish said . Amrit composed herself. " By the way, if you want, someone can come who will take care of me. " Amrit said. " who? " Aatish asked Surprisingly . " your wife. " Amrit said. " what? Wife! You too. " Aatish said. " Do you still love Kriti? " Amrit asked Aatish . Aatish tells Amrit that He never loved Kriti, but Kriti definitely taught him to value love. And yes, I don't want to get married. "why you not want to get married? I worry about you and in life, one needs a partner. Amrit said . " Who takes care of you every moment. Don't talk to me until you say yes to marriage soon. " Saying this, Amrit left from there. Well Aatish is busy in strengthening his hold in the party and getting all the leaders on his side. It is said that a human being is born after many births, so one should enjoy everything in life. Aatish inherited wealth, and is working hard to get power and empire, but the only thing that is missing is love. Because of Kriti, Aatish has learned the value of love. But whom will Aatish fall in love with? Now Aatish's life is going to be even more interesting because the chapter of love is going to be added to it. So be ready! Many days have passed since Aatish and Amrit talked. Kishu Ji came to Aatish's house with a wedding invitation card. Kishu Ji tells Aatish, this wedding invitation has been sent by an old friend of Saheb Ji. He was also in the party earlier but later he left the party. Many party leaders and Sunil Saheb will also attend this wedding. We should also go. " if this is the case that they are old friends , then the entire

Sandhu family will go. " Aatish said . The wedding is on April 18th.

9. ENTRY OF RIVA IN AATISH'S LIFE.

"A king is incomplete without his queen, so it's time for the Queen to come into Aatish's life."

On 18th April, the whole family went to attend the wedding. The party was full of big and famous people. After reaching there, Amrit and Sunita went to give gifts to the bride. Aatish, Kishu ji , Visham and some other guests started talking. Up on the terrace, the bride's friends were preparing to give a memorable surprise dance performance to the bride. The bride was brought to the terrace where all the women and girls including Amrit and Sunita . The bride's best friend Riva started dancing . Everyone is clapping for Riva's fabulous dance. While the performance was going on, Aatish went to the terrace in search of Amrit. He did not know that there were only women on the terrace. As soon as Aatish reached the terrace, he got a call from Shooti. There was a lot of noise on the terrace, so he went to an empty room and closed the door. He was talking but when he saw Riva from

the window. As soon as he saw Riva, Aatish put the phone down without talking.

Seeing Riva, Aatish stopped, he is mesmerized to see Riva. Aatish's eyes were not moving away from Riva. He was just staring at her without blinking. Riva's mannerisms, beauty, her charming innocence, smile, laughter were pleasing Aatish. Actually , Riva's naughty style was pulling Aatish towards her. As soon as the performance was over, the bride hugged Riva and said thank you. After some time, the procession arrived. Everyone went downstairs. As soon as Riva left, Aatish came to his senses and he also went downstairs. The baraat arrived, it was welcomed and then the wedding rituals began. Aatish's entire attention was on finding Riva but Riva was nowhere to be seen. Kishu ji went to Aatish, Amrit and Sunita . " Madam, I want to introduce you all to someone. " kishu Ji Said. Kishu ji called Riva. As soon as Aatish saw Riva, Aatish went into a state of stupor. " This is my niece Riva. " Kishu ji said . Riva said , "namaste to everyone " and touched the feet of Amrit and Sunita. This shows that Riva is a very cultured girl. " You are so beautiful and you dance very well too. When I saw you on the roof. I started thinking who is this angel? " Amrit said to Riva . At this Riva smiling . " By the way Kishu ji we have never seen Riva with you? " Amrit asked Kishu ji . " Riva studies by staying in the hostel. Riva studies in the same college as Aatish. " Kishu ji Said. Aatish's stunned state broke and he immediately said that I have never seen her in college. Then Amrit taunts Aatish that, your focus is only on partying. " Well Riva are you done with your studies? " Amrit Asked. " my graduation is almost complete, just the last exam in a few months. " Riva Replied. " After

Exams, you will stay at home, you have promised. " Kishu ji said. " Ji papa , I will stay with you. " Riva said . Riva calls Kishu ji papa .Amrit called Riva to the house on Rajveer's birthday .Kishu ji agrees to bring her. As soon as the wedding was over, everyone went home. Riva also bid farewell to her friend by giving her best wishes.

Intro of Riva , a very important character .

Riva is the heroine of both this story and Aatish . Riva is a very innocent, self-respecting and calm girl. She has a different glow on her face, fair complexion, rose petal-like lips full of smile. Riva is not like that girl who does wear short clothes and does like narrow thinking. Whoever sees Riva, who is full of Indian culture and values, cannot stop himself from looking at her. Riva has always been good in studies. At the age of 7, she lost her parents in an accident. Since then, Kishu ji has raised Riva. He fulfilled all the wishes of Riva. Riva always called Kishu ji as Papa. Both of them have no one in this world except each other. I hope you have understood Riva 's Character. After going home, Aatish was lost in the thoughts of Riva. Aatish was also surprised by what had happened to him? Why is he not able to get Riva out of his mind? Many girls came and went in Aatish's life but he never had such feelings for anyone. Amrit has organized a Worship to celebrate Rajveer's birthday on 21 April. Only family members are participating in the worship . The worship is to be done by Aatish. Kishu ji brought Riva. Riva went to Amrit and started helping him in the preparations. Aatish

was happy to see Riva and Amrit together. After some time, the worship started. The worship was completed very well. Everyone went to Rajveer's room to congratulate him. Amrit applied Tilak to Rajveer and tied Raksha Sutra on his wrist. Amrit went to put food on the table. Everyone sat down to eat.

Despite Amrit's refusal, Riva served food to everyone. Till now, Riva has not even looked at Aatish. Aatish does not like this. How strange it is that the lover's eyes do not leave the beloved and the beloved does not even look at the lover. Riva went back home. Don't know why Riva did not even look at Aatish. Till date no girl had behaved like this with Aatish, never looked back at him. It hurt Aatish a lot that for the first time a girl was not paying attention to him.

In the evening Amrit went to Aatish's room. Seeing Amrit, Aatish asks , "what happened Mom? If you had some work you should have called me. " Both of them sit on the sofa. " I have seen a girl for you, here is her photo, see it. " Amrit says.

Without even looking at the photo, Aatish refuses to marry. "I don't want to marry. I don't want to and why are you suddenly talking about marriage today?" "Then whom do you want to marry, Riva?" "Yes! I mean no." Aatish is surprised to hear about Riva. "Son, I am your mother. I have been watching you since the day of your marriage. You were not able to take your eyes off Riva. Riva has also settled in my heart. Riva is a very sweet girl. She will fill our house with happiness. Son, I have never forced you for anything till date but today I am forcing you to marry Riva." Aatish understood that Riva has settled in Amrit's heart. "Now everything of mine belongs to you and Papa. If

you want, then I am ready to marry Riva." Aatish Said . " What to do with this photo now? "

Amrit laughing , " Oo ! Riva ke DEWAANE ! Look carefully, it is a blank paper. " Both hugged each other and started laughing. Well, Aatish said yes but will Riva agree for this marriage?

22 April 2021

Amrit told everyone about Riva and Aatish's relationship. Kishu ji is confused. He tells Amrit that I am ready to sacrifice my life for you but here it is about Riva. She is my brother's daughter and I don't want her to make a decision under any kind of pressure. Nothing is more important to me than her happiness.

Kishu ji talked to Riva about this. Riva went to her room without saying anything. At night Kishu ji took food for Riva. With Teary eyes, " Papa you have never let me lack anything since childhood. I know Whatever you have thought for me will be right. I am ready for marriage. " Kishu ji started crying after listening to Riva. Riva knew that this relationship means a lot to Kishu ji because he is loyal to the Sandhu family, he cannot refuse this relationship out of the blue. Riva loves her father a lot and she can do anything for him.

In aatish's house, Shooti gave Aatish a watch. Aatish spends most of his time outside. The watch is for his security. Looking at the watch, no one can tell that it is a high-tech GPS tracker. Whenever Aatish needs help, he just has to press the

hidden button on the watch and within a few seconds Shooti or his men will reach Aatish.No matter where Aatish lives in the world's corner.

Shooti had called Aatish on the wedding day to tell him this but Aatish did not talk to him as he was busy seeing Riva. On the other hand, Kishu ji was very happy to hear Riva's words. He told Riva that Aatish is a good Life partner for you. I just want you both to always be happy.

23 April 2021

Kishu Ji said to Amrit that Riva has said, " yes" for the marriage. Amrit was overjoyed to hear the good news. " Kishu Ji will listen to one thing of mine."

" Of course. " From now on we are in-laws so you will call me" Behan Ji " or " Amrit Ji " , not Malkin, Okay ". " it is okay , Behan Ji. " Kishu Ji said . The family and Aatish are very happy to hear this. Aatish has forgotten all his work and is lost in the thoughts of Riva .

But what feelings does Riva have for Aatish? That will be known only after marriage. This is going to be a surprising twist.

The engagement was held at home on 10th May 2021. On the day of the engagement, Aatish wanted to talk to Riva to know if she was happy or not. He called Riva to his room . "Riva, you are happy about this marriage ? " Aatish asked . Riva still did not look at Aatish. with her eyes lowered , "If my father is happy, I am also happy. Don't worry about this. I am happy with this relationship and will maintain

it well." Riva Said. Aatish sent Riva downstairs. The engagement was done with simplicity. Meanwhile, the wedding date was also finalized, the wedding will take place on 26th May 2021. The wedding preparations have started in full swing.

26th May 2021.

Visham's children left Canada for attend the wedding. As I have already told you all that Vishma has two children , Son Virat and daughter Vanshika. Both are younger than Aatish but Aatish listens to everything they say. And everyone in the house loves Vanshika a lot because she is the only girl in the house. Virat and Vanshika also respect Aatish a lot .The wedding took place with great pomp and show, like a royal wedding. There was a gathering of big politicians and big businessmen. The next day after the wedding, the ritual of 'Mooh Dikhai' took place and the reception party took place at night. The party ended. Aatish's room was decorated with only roses for the wedding night. Riva is sitting on the bed waiting for Aatish. Scared Riva's whole body is getting hot. Her breathing has become fast. Riva had not even talked properly to any boy till date. What will she say to Aatish? And how will she say it? Riva is very nervous because of this. She is looking towards the door again and again. After some time Aatish came inside. He had a gift in his hand. Aatish went and sat near Riva. Riva moved a little away from Aatish. Aatish gave the gift to Riva. "This is for you." Riva took the gift. " if you want to ask something then you can ask? " Aatish asked . " I know that we are still completely unknown to each other. I

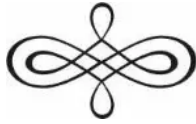

was not even getting the courage to come inside but I came for you Only. "

" It is so strange that we were in the same college but I have not seen you till date. Riva you also say something, I have been saying it for so long. " Astish Said. " I do not wear short clothes, maybe that is why you have not seen me. " Hesitantly Riva said . Aatish did not understand. "Riva what it meant ? " Aatish Asked . Riva told Aatish that She have always seen him with girls wearing short clothes. Aatish like such girls only. One of Her friends was also Aatish's girlfriend for some days. After the breakup with Aatish, she left the college itself. " By the way, How many girlfriends did you have? And How many kisses you had done till now? " Riva Asked. From Riva's words, Aatish understood that in Riva's eyes his image was that of a playboy and womanizer. "Yes I have kissed a lot, but I never counted them." Aatish told Riva. "The whole college knows that I have never been in a physical relationship with anyone." "I also know that your relationship was not physical but it was a relationship, right?" Riva says. "It will be difficult for me to forget this image of you and accept you again. It will take time to move forward in this relationship. Can you wait till then?" "Riva, whatever image you have of me, I have never felt for anyone else the way I feel for you." Aatish said. "Take as much time as you want. My whole life is yours. I will come to you only when you call me." Aatish starts to go out. Aatish is about to go out but suddenly he stops. "Riva, can I ask for one thing." Aatish said. "what? " Riva Asked. " Riva Can you look at me only once?" Aatish says . It felt strange for Riva.Riva slowly looks at Aatish. Riva and Aatish keep looking at each other. Finally The Lover's wish was

fulfilled, Riva's eyes on Aatish. Aatish looks at Riva , "I love you Riva, forever. Remember This Always ! " Aatish goes out. Riva kept looking at Aatish. From here begins the love story of Riva and Aatish. The next morning Riva completed her first kitchen ritual. Visham's children who had come for the wedding also went back to Canada the same day. Due to the wedding, All the work of Aatish was pending which Aatish started completing. Riva takes great care of everyone in the house. Aatish and Riva live together in the same room but not like husband and wife.

In the evening when Riva went to her room, she saw Aatish's gift which he had given her on the wedding night. Riva could not stop herself and opened the gift. There was a pendant in that gift. The pendant was very beautiful. When Riva opened the pendant, it had a photo of her parents. Riva's eyes filled with tears on seeing her parents. Riva wore that pendant at that very moment. She also thanked Aatish for this at night. Aatish was very happy that Riva liked his gift. This was Riva's first attraction towards Aatish.

Even though there is no love relationship between the two, respect and patience are the foundation of their relationship. Which is the first demand of every Relationship. There is love from Aatish's side, now only from Riva's side is left.

10. AATISH'S ACTION ON JAGDEV FOR RIVA .

Within a few days, Riva understood from Aatish's behavior that the Aatish she saw in college is not the same Aatish, he has completely changed. Aatish also takes great care of Riva. Riva likes Aatish's closeness. Riva's exams have started from 11th June. Riva went to college in the morning to take the exam. She did not want to disturb anyone in the morning and she was also getting late, so she left with the driver without telling anyone. When Aatish is having breakfast, he does not find Riva, and he asks Amrit about Riva. Amrit tells him that Riva has not come down. I thought she was upstairs with you. Aatish Told that Riva is not in the room upstairs with me.

Aatish asks Shooti about Riva. Shooti tells that Mam has an exam today. She has gone to college. I asked her to come with me but she refused. Mam had also refused to let the guard accompany her. Only the driver is with her. "Riva too! Aatish Angrily Said. " Ok, Do one thing, send Two Guards to the

college. He will bring Mam along. " At that time, Aatish got a call. On picking up the call, " Aatish, you do the security of the whole house but you did not do the security of your hot and beautiful wife, not fair! the caller said . "But it does not matter, if you cannot handle her, I am there! I will handle her. " After saying this, the call got disconnected. Aatish turned red with anger . " Shooti, get ready! " Aatish shouted . Shooti understood. Shooti called his guards and went to the college with Aatish. Reaching there, Aatish sees that the college is quiet and everything is fine. Shooti sees that the driver is missing. Shooti regrets why he let Riva go alone. Aatish went to meet Riva in her class but Riva was not there. Aatish started searching for Riva in the whole college. Aatish was afraid that something might have happened to Riva. Suddenly he saw Riva in the medical room. He ran to Riva. Riva stood up after seeing Aatish. Aatish slaps Riva hard. "From today onwards you will not go anywhere without my permission, understand!" Aatish says angrily. Due to the slap, tears start flowing from Riva's eyes. Seeing tears in Riva's eyes, Aatish's anger calms down. He quickly hugs Riva tightly. Aatish took Riva home .Amrit is relieved to see Riva. She takes him to his room. The driver tells Aatish that someone attacked him from behind in college. It was exam time, so I couldn't see anyone because of the crowd. My head was bleeding, so Mam took me to the medical room.

"Remember this mistake should not happen again." Aatish tells Shooti. Kishu ji reports to the police about the attack and the phone call. Aatish is very angry at himself for raising his hand on Riva. After the day passes, Aatish goes to the room in the evening. He sits with his head on Riva's lap. "You were scared, right?" Riva Asked. "Yes,

very much. I don't want to lose you, in fact I don't want to lose anyone." Aatish says. Riva apologizes to Aatish for not being able to call. She did not remember to call. The driver was bleeding profusely from his head. She quickly takes him to the medical room. Aatish arrives shortly after. "Did you not take the exam?" Aatish asks. "It was a practical exam, I just had to submit the report. It was over by 9:00 AM." Riva says. "That means all this happened sometime before I came, right?" Aatish asks. "Yes." Riva replies. "I shouldn't have raised my hand on you. I am sorry." Aatish says.

"What you hit me with was not a slap. It was your concern for me. Which was visible in your eyes. You don't need to apologize." Riva says. "What would you do if someone kidnapped me?" Riva had said this jokingly, but the answer she was about to get was not like Joke. Aatish quietly looks at Riva, "If Anyone other than me tries to touch you , I will give him such a cruel death that the newspapers will have to take orders from the central government to publish this news." Riva is stunned to hear this. We can see how possessive Aatish is for Riva.

From Now on there will be no mistake. Aatish has started taking more care of Riva. He always keeps looking at Riva but the funny thing is that when Riva looks at Aatish, Aatish behaves as if he is not looking at Riva. Riva knows these small actions of his but she pretends not to see them. Riva is enjoying teasing Aatish. Finally both Riva's exams and Aatish's worries are over.

Mukti has come to meet Aatish in the party office. He goes to Aatish's cabin. Aatish is not surprised at all to see Mukti. He asks him to sit. Both sit. "Youth President Aatish ji! So how are you feeling sitting on the chair?"

"good! Tell me about yourself." Aatish Said. "Bhaiya, nothing can happen to me." Mukti said. "By the way, take this engagement card."

"Who is that unlucky girl who is marrying you?" Aatish asked. Mukti laughed loudly.

"Bhaiya, I am not interested in marriage, I am only interested in "Suhagrat" and I have celebrated it many times." Mukti said. "And this card is of my sister's engagement. I have given it to everyone, only you are left, so take this, and yes, definitely come."

25 June 2021

Only Aatish and Riva have gone to the engagement without any security. The engagement is in a hotel. The engagement went well. Aatish and Mukti are drinking together. "Let our fight remain between us only. Don't involve the family members, otherwise....." Aatish says to Mukti. Mukti ignores Aatish's words and keeps looking at Riva. "Aatish whatever you say, your wife is very beautiful, what is her name Riva...." says Mukti. Suddenly Aatish grabs Mukti's throat. "sssshhhh ! Keep it to your throat only, if my wife's name even comes on your tongue....." says Aatish. Aatish lets go of Mukti's neck. Mukti starts coughing.

Mukti gets very angry with this act of Aatish.

"If you have so much power then why do you live in such tight security?" Bastar den! said Mukti. "The security is not for me, the security is for my family, understood!" replied Aatish.

"You don't be afraid, but the biggest truth for you is that you can die anytime, and one more thing, take care of yourself and your father." Aatish Said. After saying this, Aatish left.

Mukti is very angry with this act of Aatish.

Now Mukti can do anything to Aatish. But what? And when? Well, my readers, get ready for the fire of action!

As soon as the party ended, Riva and Aatish left for home. It was night so there was a lot of silence on the road. Aatish felt something strange. He asked the driver to drive fast. Riva asked Aatish the reason for driving fast. Aatish tells that it is getting late so I am telling you to drive fast. Then suddenly a bullet hits the driver. The car becomes unbalanced, Aatish somehow stops the car. Riva holds Aatish's hand out of fear. Then bullets started firing on the car but the car was bulletproof. Aatish bends down with Riva. After several bullets are fired on the car, the firing stops. Then many armed men come near the car.

They open the door and start taking Riva with them. Aatish also comes out. A man puts a gun on Aatish's head.

"Come with us, otherwise we will shoot him." The attacker says to Riva.

Riva starts crying out of fear.

Aatish looks at Riva, "Don't be afraid, nothing will happen. These are all jokers. Now I will also show you a magic trick." Aatish says.

All Attacker started laughing after listening to Aatish's words but Riva stopped crying. They started taking Riva away. Just then hundreds of bikers reached there. The entire road was filled with bikers. The sound of the bikes was creating fear in the attackers. There were only 12-15 people there and in front of them was an army of 200-250 bikers.

The bikers had also brought a new car for Aatish. "Now the action scene begins," said Aatish. The attackers go to Aatish and put Riva's hand in his hand. "Bhaiya, forgive me. Bhabhi, tell Bhaiya to let us go," The attackers say. Aatish tells Riva that I told you nothing will happen. Now you just stand quietly and watch." Aatish forbids the bikers from killing anyone. One of the bikers gives Aatish a gun. Aatish refuses to take the gun. Then Aatish sees a small but sharp sword in the attacker's car. "Yes, it's okay . It will also make a good cutting sound, which I like most."Aatish Says. In one stroke, Aatish beheaded the person who first pulled Riva out of the car.

Seeing the fallen head of the attacker, Riva trembled with fear. After that Aatish did not stop his hands. Some of the attackers started running away but the bikers did not let them escape. After brutally

killing everyone, Aatish left for home with Riva in a new car. The bikers gang disposed of all the bodies and the damaged car properly. Throughout the way, Riva was afraid to see Aatish because Aatish's hands and face were covered in blood. She was afraid to even touch Aatish.

"What happened Mrs. Sandhu?" Aatish asks. Riva does not answer. No one at home came to know anything about all this. At night, Riva and Aatish are lying on the bed. Aatish feels that Riva was afraid so he starts caressing her head. This gives Riva relief. "Can I ask you two things? How did your people come to know that you are in trouble without calling?" Riva Asked . "Now I can say that's like my wife. I just pressed the button on the GPS tracker." Aatish Replied. "What do you mean?" Riva says.

Aatish told Riva about the GPS watch given by Shooti. When Aatish felt that something was wrong, he pressed the button.

"Are you scared of me?" Aatish asked. "Yes , I am a little scared in the beginning but I am not scared now and I won't be in the future either ." Riva said. Riva fell asleep comfortably in the warmth of Aatish's arms. Riva's going to Aatish like this was comforting Riva and Aatish too.

Here I liked one thing: It is more important to experience love from the soul than from the body.

Well ,This attack was carried out by Mukti to teach Aatish a Strong lesson. But perhaps Mukti did not know Aatish's strength. That is why one should always know the enemy's weaknesses and strengths.

On 2nd July 2021

Aatish went to a college to address the youth on behalf of the party. This was all organized by Aatish's friends. Aatish went on stage to give a speech. As soon as Aatish said that today I will tell all of you how to be serious about your career. Hearing about a serious career from Aatish,This is funny because a person who was never serious about his future and career is today lecturing others on it. Politics can make a person do something that no one can even imagine. Atish who speaks broken English is today giving lectures like a Professor.The event was very good. This led to an increase in the interest of the youth towards Aatish.

At night, Kishu ji is talking to Aatish alone. "Time is passing and Jagdev is still alive. You are obsessed with power." Kishu ji says . "Why don't you speak, speak! Are you scared of your father's enemies" You coward!

" That's enough! Aatish Screamed. "What do you think I don't care about this? The third shooter is Mukti, not Jagdev." Kishu ji was shocked . "Mukti! How do you know? " kishu Ji Said. Aatish tells kishu Ji that the voice He heard on the call after sending the envelope was the same voice He heard for the first time in the party office, it was Mukti's voice.He recognized her voice. At that moment, he understood that Mukti was the third shooter. I could have killed him

at that very moment if I wanted, but I will not give him even a moment's death. He had also tried to harm Riva. "Even now, you think that I am not paying attention to my enemy?" Aatish asked. "Forgive me son. You are ahead of my thoughts." Kishu ji said. "I am happy that you are so loyal to Papa that you can fight even his son." Aatish said.

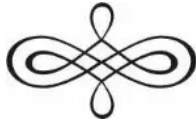

10th July 2021

Ever since Jagdev became MLA, he has committed many scams. Aatish had asked Shooti to keep a spy behind Jagdev. Aatish knows all the news of Jagdev's scams through him. Aatish was looking for the right opportunity and he got it today. Suddenly a crowd of people came to Sunil Sahab's cabin. They had come with complaints against Jagdev. They said that those people had given crores of rupees to Jagdev to pass the contract but there is no trace of the work. The complainants are all big high profile builders. They had also brought lawyers, necessary documents and media. Hearing the noise, all the party people reached there. Sunil Sahab expressed his disappointment with Jagdev's actions as an MLA. Aatish and party members witnessed Jagdev being beaten by the crowd and the incident was broadcast live on TV. Aatish found amusement in this situation. Sunil Sahab called the police for help and they rescued Jagdev. Mukti came to the party office. In front of mukti Aatish sarcastically commented on Jagdev's fall from grace as an MLA. "what happened MLA sahab ? you have come straight from the sky to the ground." Aatish said . "What a progress ! Keep moving forward like this."

Mukti did not say anything, just picked Jagdev up and took him home. The police calmed those people down. Those people went back. On TV in the whole of Rewadi, only Jagdev's beating is being shown. Everyone is laughing at Jagdev .

Actually it was Aatish who had asked these people to do this and it was on Aatish's orders that Jagdev was beaten up so badly . By the way, it won't take much time for Mukti to find out that all this was done by Aatish. Let's see what happens next, just wait and read!

The HJP party is getting a bad name from TV to the internet. Everyone in the party is talking about removing Jagdev from the post of MLA. Sunil sahab has called a meeting of the party's high command regarding this matter. In the meeting, Jagdev promised that he will fix everything soon. The party gave Jagdev a second chance. Let's see the second chance proves to be effective for Jagdev or not!

11. AATISH AND RIVA'S LOVE STORY.

20 July, 2021

Riva's attention started getting attracted towards Aatish because of his behavior and thoughts."It is true that beauty is always attracted towards the Beast, here by the Beast I meant dangerous person and not bad person."

Similarly, Riva was drawn towards Aatish. Riva knows that Aatish loves her very much, so it is Riva's turn to complete this incomplete relationship. Today, Riva is ready to take her relationship forward. To create an atmosphere, Riva decorated the whole room with flowers. Riva is feeling restless, but everyone wants this restlessness in life. This restlessness also has a different kind of joy. Riva is waiting for Aatish. Aatish comes into the room. Seeing the room decorated, Aatish starts thinking for a while. Aatish goes to Riva who is standing on the balcony. The moonlight, the atmosphere decorated with roses and the

fragrance of roses spread in the entire atmosphere, it seems as if all these are playing their role for the lovers. This is an unimaginable scene, Which is possible only in love. Seeing Riva is looking attractive, "what is all this? Why so much decoration?" Aatish asked Riva. Riva's breathing has become fast, she is not able to speak properly. Riva musters up the courage to say "love you Aatish, I love you so much." Riva feels so shy that she turns back . "Really?" Aatish asks Riva. Riva doesn't say anything, she just nods yes. Aatish goes and stands in front of Riva , " So Can I touch you?" Aatish Asked. "From now on, you don't need to take my permission to touch me. From now on, my body and soul, everything of mine is yours." Riva Replied. Riva hugs Aatish. After listening This Aatish was so happy. This expression of love has started to embrace Aatish and Riva. Tonight has become the night of the union of Aatish and Riva. Aatish lifts Riva in his arms and takes her in the room.

As long as there was no love, both were separate, but today both are so close that they have become one, not two.

In shame, Riva moved away to Aatish but Aatish is not leaving Riva even for a moment. Sex is important but not necessary because "Sex is not a way to make Love."Even more important is trust and respect, which is the foundation of Aatish and Riva's relationship. Another speciality of their relationship was friendship. Anyway, Aatish and Riva have become each other's.

The warmth of Aatish's love has entered Riva's breath. This night is just the beginning of their Love. The next day Aatish takes Riva to Goa. Aatish refuses More security . He does not want any kind of

disturbance in the beautiful moments between him and Riva. Aatish and Riva are in a bungalow near the sea. Only a few guards were posted at the bungalow. Aatish, drowned in Riva's love, "Today I came to know that love can really make a person a slave. Thank you for accepting my love." Aatish Said. Suddenly it started raining. Riva started insisting to get drenched in the rain but Aatish started refusing. Riva forcibly takes Aatish out to get drenched in the rain. Aatish was about to kiss Riva when Riva stopped him seeing the guards. Aatish gesture to All the guards stood with their backs turn on Aatish and Riva. Aatish tells Riva that it is okay now. Just then bullets started firing. Guards started falling down one by one. Aatish took Riva inside while saving himself and after telling her to stay inside, he went outside. Riva stops Aatish from leaving but he leaves. The guards were in large numbers so they killed the attackers. Riva started trembling on hearing the bullets. Riva was more worried about Aatish than herself that something might happen to her. After some minutes, The situation was under control. "Are you all okay ? and call an ambulance ."Aatish Screamed. Everything was quiet but when an attacker shot at Aatish from the roof and the bullet went straight to the right side of Aatish's chest. After these, guards cover Aatish and kill that attacker. Riva came out screaming. She went to Aatish and started lifting him up while crying. The ambulance came and Aatish was taken to the hospital. The family was informed. Kishu ji reached the hospital with everyone at night. As soon as Family members reached the hospital.

Amrit went to Riva. Amrit hugged Riva and started crying. Riva was staring at Amrit silently, unconscious. She was not aware of anything. She was just looking at the operation room. Seeing all this, Amrit remembered Rajveer's incident. She was afraid that something might happen to Aatish like Rajveer. The media too was not untouched by this. The news of the attack on Aatish spread like Fire everywhere. After the operation and removing the bullet, the doctor comes out. "Aatish is now out of danger, he will regain consciousness in some time." The doctor says. Hearing this, everyone felt relieved. Aatish regained consciousness at 5 :00 AM in the morning. The nurse allows family members to meet Aatish. Amrit asks Riva to meet Aatish first after seeing her condition. After going inside, Riva hugs Aatish and becomes emotional. "My love, you got scared by this much! This is just the beginning." Aatish softly says. "what kind of a wife am I ? I did not even take proper care of you. I wish the bullet hit me." Riva Said. " Don't say this, nothing will happen to you in my presence. I just regretted one thing: Our kiss remained incomplete." Aatish says .

"You too! Both are smiling." Riva Says.

Meanwhile Kishu ji and Shooti come inside. Kishu ji tells Riva that he has to talk about something important. Riva goes out. "Someone from our own family is behind this attack because where are you in Goa? Only me and the family members knew this." Shooti Said. Aatish tells Kishu ji to file a police complaint. The police may not be able to do anything but the complaint is necessary. Aatish asks Shooti to find out about this matter. Aatish returns home after discharge on

31st July after a week. Sunil sahab and many other people came to meet Aatish to know about his condition.

Riva takes great care of Aatish. "Don't you think you are forgetting something ?" Aatish says. "No, I am giving you food and medicine on time." Riva Said. "Shouldn't we complete our incomplete kiss?" Aatish says. Both of them started kissing each other. As Aatish and Riva came closer, Aatish's pain started getting cured. Well, after the Romance, Aatish got busy with his work as his wounds had also healed. Now it is time to remove a mask.

4 August 2021

Not seeing the nurse, Visham goes to Rajveer's room to meet him. Visham closes the door from inside. After a long time, Visham comes out. The next morning, at 11:00 pm, Aatish called Visham to the outhouse. Reaching there, Visham sees that Aatish, Kishu ji, Shooti and many guards are already present. "Aatish son, if you had to talk about something important, you could have done it at home, why did you call me here? And what important thing do you want to talk about?" Visham Said. "Uncle, we have found out the name of the man who raided the house. His photo is in this box kept on the table. I want you to see it first." Aatish Said. Visham quickly opens the box in which photo is. Visham is shocked to see his photo. "So how did you like the enemy?" Aatish says. Visham calms down. "I always used to wonder who would have raided?" Aatish Said . "But I never thought it would be you, As they say, "An insider does the

maximum damage.", Visham uncle you turned out to be Vibhishan. Why did you do all this?" "What did I do? And what are you saying?" Visham Asked in fear. Aatish loses his patience , "What did you do?" I will tell you what you have done! You gave secret information to the IT department due to which the house was raided. You got me attacked in Goa." Aatish Screamed. "You still have to tell something else". Aatish sat down quietly. Visham is also ready to vent his anger. "You want to hear why I did all this, right?" Visham Said to Aatish.

Visham tells that his elder brother Rajveer Singh Sandhu had property worth crores of rupees but he never paid attention to his needy younger brother. Rajveer had the right to wealth, fame and power. What about his? His status was even less than Kishu . All this was driving him crazy from inside. Rajveer had made him his pet dog. He was not able to understand how to remove this Rajveer from his path? Then your father himself handed over his destruction in my hands. When Rajveer handed over the reins of his business to me to handle. He took full advantage of this and got the papers of all the illegal businesses and sent them to the IT department with a different identity. The next day he got similar papers prepared and kept them in the office so that no one could suspect. The icing on the cake was when he planned to kill Rajveer with Mukti but luckily Rajveer escaped. he also wanted to kill Aatish but he didn't know where you had gone at that time somewhere .

He knew that Jagdev considered Rajveer his enemy. Mukti and Me became united but your father was saved. I would have left you to rot in jail but I don't know where Kriti came from . Seeing Amit at home,

Visham understood that Aatish could reach me any time, so he got Amit transferred. He told Mukti where Aatish are in Goa. He thought that after both father and son all the wealth will be Him and Visham Singh will rule. Now Aatish knows why Visham did all this! "There was nothing like that. Whatever you have today is because of Sahab ji. You did not have that much ability....." Kishu ji says . Visham interrupts Kishu ji , "You must be quiet, you are a doggy, I am not." With a sad heart, "I came to know all yesterday, I just wanted to hear it from you." Aatish says . "How did you know?" Visham asks. "You yourself told me in the morning." Aatish says. Aatish takes out the gun and, " Go upstairs and ask." Saying this, he shoots Visham in the head. After emptying the entire magazine of the gun on Visham.

Visham died on the spot."Sorry uncle, but I have sworn to my father that I will kill all his enemies with my own hands." Aatish Said . Aatish tells Shooti that Dispose Visham's body in such a way as if there was a car accident and the body should be completely burnt so that there are no bullet marks on the skull. Seeing Visham's dead body and blood, Aatish realises that Visham is no more in this world. Tears started flowing from Aatish's eyes. "Take care of yourself Aatish, you have to take care of your family too. Make yourself strong , Son." Kishu Ji said.

6 August 2021

The next morning, the police come to Aatish's house with the news of Visham's accident. The whole house is filled with

sorrow after hearing the news of Visham's death. Aatish sent everyone the news of Visham's death. In the morning, Visham's children also left Canada to come to India. By evening, the last rites were performed with full rituals. Virat asked Aatish to give the pyre (Mukhagin) as he was not in a condition to give the (Mukhagin), so Aatish lit the pyre of Visham. Aatish took good care of everything.

21st August 2021

After many days, "Whether you both want to stay here and handle the business or going back. The entire business belongs to both of you." Aatish said to Virat and Vishu. Virat and Vishu love Aatish a lot and respect him a lot. Both decided to go back and complete their studies. They said that Bhaiya, we will come back and handle the business. "Whatever you both think is right. If you need anything in Canada, then call me." Aatish says . Aatish called Kishu ji . "Arrange for these two to go to Canada and keep taking care of wherever they are living." Aatish Said. "Brother don't worry about both of us, just take care of our mother." Virat says . Virat and Vishu hugged Aatish tightly."Don't worry about Chachi, I will take good care of her." Aatish says. Virat and Vishu went back to Canada.

12. AATISH'S TRUTH IS REVEAL.

Riva is very worried about Aatish. First Rajveer went into Coma and then Visham died. Riva decided that now she will do something that will bring a smile on Aatish's face.

25th August. Aatish called Sunil sahab , "The time has come to execute the plan. You start the work." Aatish Said. Sunil sahab called a high command meeting in the party office. All the party members attended the meeting. Starting the meeting, Sunil sahab Tells Everyone that the time given by The party's high command to Jagdev is over. But Jagdev could not do anything that could prove him innocent in the scams. Because of that, our party also got a bad name. The high command has unanimously decided that Jagdev should be removed from the post of MLA and Aatish should be made the new MLA. Those who are in support of this decision should vote. Jagdev thought that due to fear of liberation, no one would vote in favor of Aatish. But nothing like that happened. Aatish turned the tables. Everyone's votes went in favor of Aatish. The ground beneath Jagdev's feet slipped away.

Just then Mukti enters the meeting. Mukti comes there . "The person whose house was raided, who came back after rotting in jail for many months, is fit to become an MLA and not my father, wow! Either way or the other I will not let this happen." Mukti Said. "Aatish, someone is dying to meet you." Aatish is surprised to see Ranjit entering and Ranjit asking him to come to the police station for interrogation. Atish realizes that he should go with Ranjit to avoid trouble. Sunil Sahab reassures Atish that he will take care of everything. Atish and Kishu accompany Ranjit to the police station where he shows them a video of Atish allegedly attacking people, which is actually from the engagement 's night attack. His videos had been edited to show only horrific murders which Only Aatish did. Atish knew that everything here was manipulated and forced upon him."Ranjit....". Ranjit interrupts Atish before he could say anything . "Ranjit Sir, Do you not know this. Did you forget that night". Ranjit Says. A Bully smile on Ranjit Face. Atish bursts into laughter. "Yes, laugh, when I make you my dog, you'll understand." Ranjit says . Atish taunts Ranjit and continues laughing. Just then, Baggi, Yogesh, Monty, and Bhanu arrive. "What happened Atish? Baggi Asked. "Why did you call us here?" Aatish shared his location with Baggi, indicating that he is in the police station. Aatish reminisces about fighting with an opposing group in the past, while Yogi wonders who they have to fight with now? Aatish reveals that whoever they have to fight with is in the police station. Aatish's friends lock the police station from inside and Aatish slaps Ranjit hard. Aatish 's friends then retaliate against the policemen who had beaten Aatish. Aatish shows his strength which frightens Ranjit and he begs for mercy. After this Aatish and his

friends beat up all the constables brutality who had beaten Aatish that night. Aatish takes out that fake video chip from the laptop. "Ranjit that night you told me to think Hundreds before raising my hand, but now I have stopped thinking." Aatish Said. Ranjit is in pain. Ranjit holds Aatish's feet and begs him to let him go. He will not take any action against Him. "I have started the action and now no one can stop me. Tell Mukti that Aatish is fed up with childish games, he should get ready for the real game." Aatish says.

After creating so much havoc, Finally, Aatish and his friends return to the party office. Kishu ji settled the matter with the help of lawyers , Well My Readers, This is called Money Power. In the party office, Sunil sahab tells that He knew that Aatish would come back soon. Anyway, he has made all the arrangements for Aatish to become an MLA. After talking to Sunil sahab, Aatish and his friends went to their respective homes.

3 September 2021

After being busy with party and business work, Aatish went home after many days today. He goes to Riva. Aatish hugs Riva . "I am a very bad husband, right? I Don't know After how many days I came to you? Sorry." Aatish Said. "After 27 days 23 hours 24 minutes 45 seconds, today you have come to me.* Riva says. "are you angry?" Aatish asks. "No I am not angry." Riva Replied. "I know that all this is your work. You have not done all this intentionally. I just want some of your time." Aatish and Riva understand each other. Aatish knows that Riva is not one of those

girls who complain. But he also knows that he has some duty towards Riva. Well, now both of them are sleeping comfortably in each other's arms.

25 September 2021

Today, Riva has called a very famous neurosurgeon specialist at home. Riva wanted to get Rajveer treated by that doctor so that Rajveer gets well soon. Riva takes the doctor to Rajveer's room. The nurse asks Riva to call Aatish but Riva does not agree. The nurse goes out. The nurse calls Aatish and tells him everything.

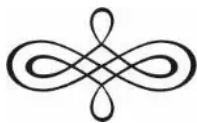

Aatish rushes home. As soon as he reaches home, Aatish asks Shooty to send the doctor back. Riva explains to Aatish that he is a very famous doctor and can cure Papa ji. Aatish gets very angry at Riva. On the other hand, "If Riva has called, then let's get a checkup done by this doctor once. What is the problem with this?" Amrit says. "Mom, Papa already have a doctor, so what is the need for another doctor." Aatish says.

Aatish asked the nurse to take care of Rajveer and went to his room with Riva. Going to the room, "what happened to you?" Riva asks Aatish. "Don't you want Papa to get well?" Aatish's breathing becomes fast, his face turns red, as if some of his secrets are about to be revealed to everyone. Riva was also surprised to see all this. "Aatish what's the matter?" Riva casually asks Aatish. Aatish starts crying badly, as if some very old pain is coming out in the form of tears today. Riva consoles Aatish. "I am scared, Aatish. Now tell me what has happened?" Riva Asked. "He is not my father?" Aatish

says. "what?" Riva says in shock. "What do you mean that he is not my father..... Calm down first." After calming down a bit, "Papa is dead." Aatish says. Hearing this, Rewa felt the ground slip from under her feet. The time had come to reveal a secret that was pricking Aatish like a thorn every moment. Aatish tells that, after being sent to custody, when he went to the hospital to meet his father, his father's condition was critical but he did not know that that meeting would be the last meeting between him and his father. When he went to his room, he told him about the money and said that now you will have to take care of everything. Do not trust anyone else except Kishu ji. Be that son of mine whose example the whole of Haryana will give that he is the son of Rajveer Singh Sandhu. Whoever remembers me, should remember me with respect. Take care of yourself and your family, Aatish. These were Rajveer's last words to Aatish. After that Rajveer stopped breathing. Aatish checked but there was no movement in Rajveer's body. Before calling the doctor, Aatish checked Rajveer's breathing again, and found that his father was dead. Aatish became silent. It felt as if my life had left my body. I sat hugging Papa for a long time but I don't know where I got the courage from. Then I called Kishu ji. Mom's condition was bad so I didn't tell him anything. Kishu ji was not able to control himself. He was trying to wake Papa again and again which was useless. We both made a plan that we will tell this to everyone at the right time. I told Kishu ji to convince the doctor by giving him money so that he doesn't tell anyone anything. We made our man lie down in Papa's place. Papa's

body was kept in the mortuary. We told the doctor to tell about Papa going into Coma after a few days so that no one knows anything. After a few days, Kishu ji got Papa's body kept in some other mortuary away from Rewadi.

Keeping him in the hospital for a longer period could have been risky. Four months later, when I got bail, on my birthday, I along with Kishu ji, lit his funeral pyre with my own hands, performed his last rites. Then I brought that man home as Papa so that no one would know. "Now I understand why you did not call him Papa." Riva said. "I did not have the courage to tell my Mom that Papa is no more." Aatish said. "Everyday I think of telling her but... My Mom will die. My Mom cannot live without my father. I know all this is wrong but what can I do?" Riva hugs Aatish and consoles him. Finally today Aatish's heart is light. So the sad twist of the story is that Rajveer is dead. Another thing here is that the fake Rajveer had told Aatish about Visham. In fact, thinking about him being in Coma, Visham poured out all his Secrets in front of him, due to which Aatish came to know the truth about Visham.

13. RIVA'S PREGNANCY.

30 September 2021

Ranjit's story is now over. Mukti has lost to Aatish from all sides. In front of everyone in the party office, Jagdev officially resigns from the post of MLA. After Jagdev's resignation, Sunil sahab announces that the voting was in favour of Aatish, so a function will be organized in the party on 11 October next month. In which Aatish will be given the post of MLA. This is the decision of the party's high command. Everyone in the party is very happy with Aatish becoming an MLA. Everyone congratulates Aatish. Aatish goes to Jagdev. "I told you that whatever belongs to someone, goes back to him. Why MLA sahab, oh sorry, now you are no longer an MLA." Aatish says. "Jagdev, from now on keeps both your voice and status down in front of me."

Aatish takes blessings from Kishu ji. Kishu ji gets very emotional on Aatish becoming MLA. He misses Rajveer a lot. Aatish goes straight to his home from the party office. Aatish tells everyone at home about his becoming MLA. Everyone is

very happy with this. Amrit is happy but is also crying. Aatish goes to his room and stands in front of Rajveer's photo, "Papa, today I have got everything that was taken away from us. You have not only given me wealth as inheritance but also the courage due to which I have conquered the whole world. From today, the whole of Haryana will give an example of your son." Aatish says. Aatish was very happy that at last he did what his father had asked him to do. Well, after a long time, Aatish goes to Sunita's room.

"Aatish son, do you need anything?" Sunita asked

"I want to tell you something." Aatish says. Aatish tells Sunita everything about Visham and also tells her that he killed Visham. Aatish falls at Sunita's feet and asks for forgiveness. Sunita lifts Aatish up. "I know how bad and selfish your uncle was. It is good that you killed him." Sunita says smilingly. "Otherwise if he were alive, he would have probably killed all of us." "Aunt, did you know everything about Chachu?" Aatish asks.

"Yes, Because Unfortunately I was his wife . I tried to tell Bhai Saheb many times that he has a snake up his sleeve. But I never had the courage." Sunita says. "Look at me Aatish, don't think that your aunt is sad, rather after his death I am living even more peacefully. Now my children and I will be able to live a peaceful life." Sunita caresses Aatish like her own child and explains that he did not do anything wrong. After hearing all this from his Aunt, Aatish is not feeling guilty. Now Aatish is feeling good. The biggest happiness of Aatish's life is waiting for him. Which he is going to get soon. At night, Aatish is talking to Baggi on the phone in his room that next week I am
