PREFACE (PoIHEDGE ASSAM)

A Bifurcated Magnenamity !!

PoLHEDGE ASSAM is a realms of reality !!!

Here we observed that this Indian Soldier Poet has enormous dynamic force in his iconic soupy words to attract the minds of broad vitality of people irrespective to their age, sex and national influences. He is Unique in the field of Neopoetry. This poet is a sacred treasure of poetic assemblage. A neonatal fragrance ! With all soldierly assets he wanders around the world peeping newness in all old stones. A wise percival congregation.

One who started reading his texts, never feels tired to get closed the eyes; if closed for a while then even, a psycho-magnetic power grinds him to open the Third Eye located in forehead until his imagery concepts become satisfied. His selected words, sentences and phrasings make anyone amused. Through his soldierly purview he hasn't been detained to carry his gun with the pen on his strong shoulder. Patriotic assumptions would bring him strength on the country's border, where he dedicatedly feels sacred to stand innately powerful with Tigerlike vigilante as much as an Indian Jawan should have. He is not a bearhunt armless hero. His pen is also designed to frame within responsibility for his motherland. The country is his first shrine. He is great. Woo ! We praise his realms of enthusiasm.

On the another part of his pioneering accreditation in Neopoetry, his perfectness too honestly be recognized in global arena. Let him write in Evernote for all those years and

generations to come ! Here's to say that he is surely poignant; a paving stone throughout his valued inceptability and a dreadful splendor behind.

Wishing him success with Soldierly Charms .

Giving me 20% Discount on my Authors' Book

With their secret compromise

But not given any address me on the board. &&

RKCT//004//KAV

Like me on the ship to gain to pen again and again. &&

RKCT//005//KAV

She was sent to space to never come back

Little Laika and her ultimate sacrifice

Who made it so to outer space

Before abroad on November 3, 1957

I say it never made to back home

For tight confines Sputnik 2 Capsule

Choose her temperament calm in sole

Her journey from Moscow Street the poor stray

O me on the ship to plan my books combine. &&

RKCT//006//KAV

Be bright on the ship to bring your city's sight

Never to decline also not to resign

My hearts there to sing to shine

So lovely you like Laika's divine

Come to compete here's all that's to hymn. &&

RKCT//007//KAV

Bench, bench the spring control

Bridge that tight nutvol

Fingers in the tips

Heavily cramped scale that's your only smell

Fragrance alignment all to be yours

Law of involvement to get thy disc

Laika didn't feel ashamed but she tight

Sputnik 2 Capsule to get its height

Not in the days of those creeping alike. &&

RKCT//008//KAV

Hard she felt warmth the clouds

To accept all of the dresmt spring

Very slow very sludgy upon her pleasuring

Eliminate of that caught causes

Gravity began to loose far above and about. &&

RKCT//009//KAV

O how to make sure yours alone in thy nut

Not in vain not again and again

Laika began to clamp not in common complain

She felt greet to obtain to combat crime

The showering ship goes ahead to sing

Almost done with her shrimp shrine

You may enjoy all your plan

Me in that to clean vintage wine

Tell thy trust and field of snoozing sign. &&

RKCT//010//KAV

Almost done with its extremes refine

Pleasant pleasures never to dating line

The ship goes ahead up and onwards

You've to rain in mine

Me alone in your hafiz much seeking design.. &&

RKCT//011//KAV

You the little bird coming to my cage
To taste my disc tonight veg Or nonveg
Whipped up to swipe there is all dry
Today's my doomsday nothing to fry
Doing double check on the gate only to cry
Life is little while you try
So feel free better soon to fly
On that top of mountains seeming glacier's high
Fixing to be inside grouping away now bye bye. &&

RKCT//012//KAV

Whosever entered just to qualify

Season episodes your all hair brushy

Just a while back home from them tasty. &&

RKCT//013//KAV

Grass garlands the pond in the jungle

Along with the stream around

On the small top between behives sing their best

Lilly and lotus clap their hands of floating leaves

On its muddy banks others look surrounds

The Flamingo alone on the top sissy sneaks

Thy utmost pleasure bags the haven secrets

Swansea sings utterly herons

Your dreams being beautiful amazing all possessions. &&

RKCT//014//KAV

The little tophill ashamed

All the oceans chained those branded brains

The shy shaped hers to refrain

Moscow peeps into more restrainrestrain

How much hot afar Sputnik having it's disdain. &&

RKCT//015//KAV

Laika couldn't couple her hours

Busy in flying out of the space

All those have seen across

All those have she shipped abroad

Her design was big on her Dressing Board

Craving all those in her apart

Me to none mine to all

My trips of trials include thy valued valves. &&

RKCT//016//KAV

Trying tides of that lolo cyclone

Good growth guys grabbed grains

Naughty night nails nighty knots

To chess in and around thy lovely grown

Dark is creamy to clean everything seen

Knight's pretty for pouring pures Bishop've been

O thy landscape of buttering grassroot green ! &&

RKCT//019//KAV

To be offered to greet your secrets alike
My poetry isn't so blind to climb upon the heartthrob
Maybe still stood over the peaks in height
But to me not a single second so free
Recently received thy misscall
Yea, tested perhaps my cooling Gulfport
Englands assembled to praise of course
If there's the seat vacant
Does Laika know also your pain secret ? &&

RKCT//020//KAV

Shy not me that's your mind

Tell not lying tools behind

If the Loughborough borderly crime

Tell them text them to find the shrine

Whereas you're signing not them there to hymn. &&

RKCT//021//KAV

Tell them not text those most

While my country sleeps in peace

The foes come across

If there's nothing but I run my horse

If there's something I thrash them torch

And then my gun begins to fire lot of lots

I protest them alone in my country's border

And text them most that I'm a Strong Soldier. &&

RKCT//022//KAV

I never harm their young innocents
Mine's there too waiting for my presence
Precisely praised in each evening
Seldom slight there they wait for you also
Being thy eyelids whipping speak to blow. &&

No hurry no worrying their kids in schools

No rest till our untide unrest

Me harder than your hardest to me,yours the best. &&

RKCT//026//KAV

Golf ground is still scattered

Horses taking rest under the trees of the forest

The big donkeys carrying the sticks

Golfers running at their force loosest

RKCT//027//KAV

Does it have to fly further

Does it also have something nice harder

Science teaches her all ignorance

RKCT//031//KAV

The wings to recover all pains of the past

Tushar resets me in the shelf

Blue Rose asserts legendary Kashish alone

Black agony that swamps all aloof sojourn

Night becomes gloomy not for the clouds

But for the words exchanged

There's one star that seems calm

Trust me too as it trusts itself on my palm

Some shrines reward devotees some closed the sum. &&

RKCT//032//KAV

I'll be there till thy words find the wings

Till thy book shines and sings

Through every page, every line and rhyme

I'll stand by your story

Till it outlasts time to shine. &&

RKCT//033//KAV

Try me not fly me not I'm the Sage Innocent
Till tomorrow comes blooming all my works
There I've seen the star shipping bring bright

To crown your heart charming whole life
If not sustained him some reasons domained. &&
